

# Habakkuk Overview

## Chapter 1

### Initial Conversation between Habakkuk and God

Habakkuk asks God three questions. What are those questions? How would you describe Habakkuk's attitude or tone? Pay attention to how his tone changes during their discussion. What is God's tone with Habakkuk? Watch how that changes as well.

## Chapter 2

### Continuing the Conversation between Habakkuk and God

Habakkuk's first response to God wraps up at the beginning of this chapter. Bryan says verses 4 and 5 are vital to the rest of Scripture. Why did he say that? Do you agree?

God responds with five woes. Pay attention to when the pattern breaks. Why did the pattern break and what could that mean?

## Chapter 3

### Habakkuk's Final Response

Habakkuk asked God three questions. Did God answer those questions and where does that leave Habakkuk now? Do you hear a change in Habakkuk's tone from when he first spoke? Pay attention to how Habakkuk looks backward to the past and forward to the future. What causes awe and worship at the end of this book? What hope does it give us for today?
