

PROCESS-BASED PRAISE AND FEEDBACK PROMPTS

Perseverance

That was hard but you didn't give up.

I know you didn't want to do that work but you sat down and kept at it until it was finished. Well done!

You didn't stop trying even when it wasn't easy!

Effort

You've worked so hard.

You put so much effort into this!

You've learnt all your spellings this week and I'm not surprised because I saw how much hard work you put in!

Strategies

I saw that when you got stuck on that question you tried a different strategy.

You look frustrated. Is there a different strategy you could try?

You used great strategies to problem-solve.

Concentration

You were so focused on that work.

I noticed you moved to a quiet spot so you could concentrate better. Great idea.

You took this seriously and were so focused. Look at what you've achieved as a result!

Progress/Time

You wrote a whole sentence. Could you have done that in September?

Do you remember last year the biggest number you knew was 10? Today it's 50!

You've got better at this since the last time we did it together!

Curiosity

You wrote a story! Tell me about it.

You've drawn a picture, I'd love to hear why you chose to draw this part in blue.

You've finished your Maths homework. Which strategies did you use to help you?
