*Drop a wish into the well,
A secret hope you'll never tell.
Toss it with a lucky smile,
Let it drift a dreamy mile.*

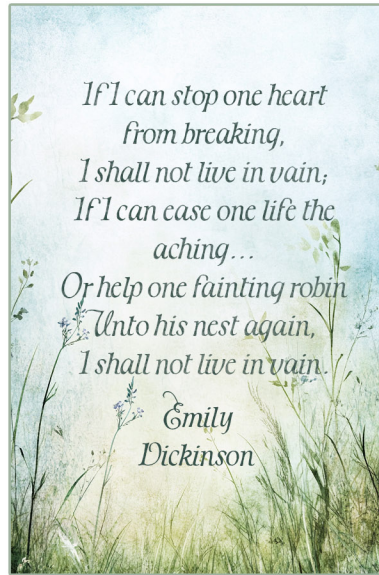

*A clover charm, a silver thread,
A sparkle where the coin's path led.
For every wish, a light will gleam
And stitch itself into your dream.*

*And if your heart feels full and bright,
That's the magic done just right.
A little luck, a little art
A wish well-made, a happy heart.*

*If I can stop one heart
from breaking,
I shall not live in vain;
If I can ease one life the
aching...
Or help one fainting robin
Unto his nest again,
I shall not live in vain.*

*Emily
Dickinson*

*I wish I were a little bird,
That I might fly to thee.*

Longing, John Clare

*We are the music makers,
And we are the dreamers of dreams...*

Ode, Arthur O'Shaughnessy

*Wishes
are the magic
of the heart
made visible.*
