Courses

We offer a comprehensive selection of courses via our self-paced platform with a focus on skills necessary for women in business.

Advisory Channel

Should you need advice or have questions, the online advisory channel is there to share knowledge with other members.

Webinars

We have an impressive network of knowledgeable speakers who cover various topics.

Networking

Networking is a necessary part of business.
We host online and in-person networking events.

Networking is the number 1 unwritten rule of success in business – Sally Crawcheck

Conference

Look out for details on speakers, exhibitors, special offers and giveaways.

Focus Groups

These are small groups that meet online.
We encourage guided discussions and networking.

Recruitment & Referrals

If you are looking to recruit, you can make the job spec available and receive referrals from the group.

Membership Community

Building a community of professional businesswomen allows us to support one another. On joining our club, you will be added to the community on our platform.

Mentors & Coaches

Our network of coaches and mentors are highly trained in guiding growth and development for groups and individuals. Members receive discounted rates.

Book Club

Join the monthly online book club or check out the recommendations via the platform.

Social Activities

Find social groups offering activities that you enjoy in your area.

Exclusive Special Offers

We negotiate with companies on various brands and services to bring you exclusive monthly offers. Look out for these in our newsletter.
