

## INNER PAGES ADVENTURE

### You will need

3-4 sheets of 6x8 Mixed Media Paper  
3-5 sheets of 6x8 pattern paper  
Double sided adhesive  
Trimmer & score board  
Bone folder

### First page:

1 6x8 Mixed Media Paper  
1 6x8 pattern paper  
Score pattern paper on the right edge at  $\frac{1}{2}$  inch and then at 1 inch.  
Fold at the scores.  
Add adhesive to the  $\frac{1}{2}$  score margin and attach to the back left edge of the Mixed Media Paper.  
Set inside page but do not adhere yet.

### Second page:

1 6x8 Mixed Media Paper  
1 6x8 pattern paper  
Trim  $\frac{1}{2}$  inch off the long edge of the Mixed Media Paper. Set aside.  
Trim pattern paper to be  $5 \frac{3}{4}$  wide.  
Score left side at  $\frac{1}{2}$  an inch and then at  $\frac{3}{4}$  inch.

### Fold at scores.

Add adhesive to the back of the  $\frac{1}{2}$  score margin and attach to the left edge of the Mixed Media paper.  
Set inside and do not adhere yet.
