

Short Summer Series Overview

Jesus taught like a rabbi.

All rabbis had disciples.

Jesus spoke Hebrew and probably Aramaic.

He observed the Sabbath. Pay attention to details about the Sabbath.

He went to the synagogue. Pay attention to what happens there. How is the synagogue different from the Temple?

Jesus went to the Temple. Pay attention to what happens at the Temple and when people would go there.

Part of Jewish education was memorizing most, if not all, of the Tanak. How does this play into His interactions with others? Always look at the entire passage He references, not just the one verse to see what else He could be saying.
