

Keep Me Home If...

I'm Vomiting	I have a rash, lice or nits	I have diarrhea	I have an eye infection	I have a sore throat	I'm Just not feeling good	I have a fever
						
Two or more times in 24 hours.	Body rash, especially with a fever or itching. Lice or nits.	Two or more watery stools in 24 hours.	Thick Mucus or pus draining from the eye.	With fever or swollen glands.	Unusually tired, pale lack of appetite confused or cranky.	Temperature of 100 (F) or more. Cannot give fever reducer and bring to care

When Your Child Is Sick:

1. Tell your caregiver what is wrong with your child, even if your child stays home.
2. Have an emergency contact on file in case child falls ill while in care and we cannot reach you.
3. Have plans for backup childcare.
