

TAB CLUSTERS

Scrap Tab Cluster

Cut scrap paper to be 2 inches wide by 1 inch tall. Cut a second piece.

Adhere sentiment strip with foam adhesive.

Tuck in leaves or foliage behind sentiment.

Distress then tuck a ticket to be behind the sentiment but in front of the leaves.

Cut or die cut a banner. Cut down and tuck behind the ticket.

Add whatever else your heart desires to this embellished tag cluster.

Adhere tab to page intended.

Circle Tab Cluster

Gather the pieces I show in the video from the Laser Cuts and the Vellum Adhesive.

Place the color wheel circle in place on the page intended for the cluster tab.

Add the ornate washer laser cut if desired inside the circle.

Layer the vellum definition on top and attach with a staple.

Add the circle book plate.

With a foam square attache the ticket.

Then adhere the sentiment.

Attach inside the book with double sided adhesive tape to finish.

Ticket Tab Cluster

Die cut a ticket from the large vellum ephemera ticket.

Pop up a square ticket at the lower right edge of the vellum ticket.

From scrap pattern paper v notch two pieces of paper to make small notched tags. With hot glue pop them behind the square ticket.

Attach a circle element to the center of the square ticket.

Tuck foliage behind all the layers but over the ticket at the upper left edge as shown.
