

How to turn your existing skills into a profitable digital product

This workshop is for you if you:

- Have a skill, hobby, or professional background that you'd love to teach or share with others
- Are curious about what it looks like to create an online course, ebook, community, or digital product
- Want to start a side income without building something huge from scratch
- Have an online product idea but aren't sure how to actually sell it
- Are already working on an online business and want a fresh perspective on what to build next

Where: Coastal Cowork Ericeira

Tuesday, April 28th, 6:30pm - 7:30pm

Ticket: FREE (book your spot).

About the session

Learn how to turn what you already know into a simple digital product that you can actually sell.

We'll walk through finding your audience, shaping your idea, and making consistent sales without working 24/7.

How to turn your existing skills into a profitable digital product

Thank you for signing up! Here are some more details to help the day go smoothly

This workshop will take place at the beautiful Coastal Coworking Collective in Ericeira, Portugal.

Address: R. de São Félix 12e, 2655-362 Ericeira

Phone: +351 914 194 253

If you're coming by car, the two nearest parking lots are Estacionamento São Sebastião, or Parque Estacionamento R. Bombeiros Voluntarios.

If you're coming by bus from Lisbon, the coworking space is about a 20 minute walk (downhill) from the bus station. The Moovit App is great for finding updated bus times from Lisbon to Ericeira.

The workshop will run from 6:30pm - 7:30pm (45 minutes for the session, plus 15 minutes for questions and networking). Plus-ones are welcome!

Make a day of it! Ericeira is a beautiful spot with great restaurants, sea views, and fabulous places to get work done. If you'd like to come early, Coastal Cowork has day passes available. You can buy one on their website or reach out to Myranda at cowork@coastal-collective.cc to learn more.

We're so excited to see you!
