Office Hours: Wednesday 10:00AM-11:00AM, office SSB #365.

Course Description

This course is a comparative analysis of twentieth-century political developments and issues in the southern cone of Latin America: Argentina, Brazil, Chile, and Uruguay. The course will also examine the social and economic content and results of contrasting political experiments. Prerequisite: upper-division standing.

Format

The class will meet twice a week for the duration of the quarter. Class sessions will be conducted as lectures. The lectures will review the concepts discussed in these readings, but should be taken neither as a *duplication* nor as a substitute for them. In other words, you should not assume that because you came to class, you can skip the readings, and/or that because you made the readings you may not attend the lectures.

Assignments

Each week students are expected to read the materials. The formal examinations consist of a mid-term exam in week three and a final exam at the end of the term. The midterm exam accounts for 35% of the final grade and the final exam accounts for 50% of the final grade. Discussion and general class participation accounts for the remaining 15%. Extensions, incompletes, etc. will be given in accordance with UCSD policy. Except under **very pressing circumstances**, they will be discouraged.

Course Policies

Academic Integrity. Students in this course are expected to comply with UCSD's Policy on Integrity of Scholarship. In particular, plagiarism is considered a dishonest practice and a serious academic offense. Hence, there will be a zero tolerance policy with respect to these practices: any student violating the obligation of academic integrity during the term will automatically fail the class. Copies of the current version of the UCSD Policy on Integrity of Scholarship, also commonly referred to as the Academic Dishonesty Policy, may be found on the Academic Senate webpage: http://www-senate.ucsd.edu/AcademicIntegrity/AcademicIntegrity.htm
