9. Exams

(1) The exam schedule is as follows;

First Hourly Exam : 6:35 p.m. – 7:35 p.m., July 12, 2012 (Thursday), SOLIS 104
Second Hourly Exam : 6:35 p.m. – 7:35 p.m., July 26, 2012 (Thursday), SOLIS 104
Final Exam : 7:00 p.m. – 9:59 p.m., August 4, 2012 (Saturday), location TBA

(2) The final exam is comprehensive (cumulative) and covers all the topics and material discussed throughout the session.

(3) If one does not take an hourly exam, and if one gives me a note stating the reasonable reasons, the unused weight will be added to the final exam. This rule does not apply to the final exam, and one must take the final exam to earn credits.

(4) The style of exams: It will be similar to the style of homework questions. In particular, there will be both essay questions and multiple choice questions.

(5) You may be asked to move to another seat during or before any exam.

10. Homework: Homework questions will be assigned, but not be collected or graded. However, by way of a review, we will discuss homework questions in class. Exam questions will largely reflect homework questions, and it is important to understand the ideas surrounding homework questions, and to understand how to solve homework questions.

11. Attendance: Attendance (at lectures or discussion sections) is not required. However, all exams will be based on lectures to a considerable extent, and students are strongly advised to attend.
