

MUSIC ON MAIN 2023

In recent years, Music on Main has gone through a serious growth! Between our constantly increasing population and the demand for quality production, Music on Main has been able to fill a unique niche in our community by providing a free live music experience open to everyone. Music on Main began in the summer of 2001 and featured only one concert by local bluegrass favorite Kane's River on the side-street of South Bozeman Avenue. In the early years, the event evolved into a series of concerts and has benefited from several new additions such as an array of children's activities, various food vendors with top-notch cuisine, sponsor activities and non-profit information booths.

In the 2007, we moved Music on Main on to Main Street and continued to feature concerts with local and touring bands such as Tony Furtado and Cure for the Common. Music on Main is continuing to adapt and grow with the Gallatin Valley giving the community one more reason to get out and enjoy downtown Bozeman.

The 23rd Annual Music on Main is projected to run for six weeks beginning July 6th and ending August 10th .

Several area nonprofits will be invited to set-up each week to host children's activities. A variety of food vendors will dish out unique and flavorful items from wood-fired pizzas to local handmade ice cream and everything in between. Received a 2003 Community Cultural Contribution Award and was named "best local event" by the Best of Bozeman every year since 2012.
