

# RESTAURANT WEEK 2026

The 6th Annual Downtown Bozeman Restaurant Week is right around the corner. Mark your calendars; April 27th - May 3rd will be a week filled with good eats and drinks at your favorite Downtown restaurants, pubs, cafes, and beyond!

Restaurant Week was an absolute success in the previous years and the punch card program allowed us to track a small part of this success. Our team collected over 500 completed punch cards equating to approximately **2,500 meals purchased** at participating restaurants over the span of 7 days plus the many meals purchased that went un-punched.

To create the excitement for both our businesses and customers, we have a robust marketing and advertising plan for this event including a punch card activity partnered with giveaways throughout the week!

We want YOU to be a part of this growing community tradition by sponsoring Restaurant Week 2026. Show your support for your local restaurants, breweries, bakeries, tasting rooms, and eateries all while getting some great marketing benefit for your business! Review the details of sponsorship below:
