

# MSU SCIENCE NIGHT

FEBRUARY 5, 2026 | 6:00 - 7:30 PM | MSU SUB BALLROOMS

Join us for a fun evening of hands-on educational activities in science, technology, engineering and mathematics in the Strand Union Building (SUB) ballrooms. Interact with MSU students, meet MSU scientists and engineers, and circulate at your own pace through various engaging demonstrations and experiments in a science festival atmosphere. The evening will help kids and adults learn more about science in a fun and easy-to-understand format. Many scientific topics and disciplines will be represented, including science related to space, Yellowstone and the polar regions. **An adult must accompany children.**

**This event is FREE and open to the public.**

**Parking information:** Parking after 6:00 PM is FREE in the parking lot next to the Brick Breeden Fieldhouse (Bobcat lot #15). Parking information: [www.montana.edu/parking/](http://www.montana.edu/parking/)

For more information, please visit [ato.montana.edu/sciencenight](http://ato.montana.edu/sciencenight). For questions, please contact Jamie Cornish at (406) 994-6005 or [jcornish@montana.edu](mailto:jcornish@montana.edu).

MSU Academic Technology and Outreach hosts MSU Science Night with support from the Montana Nanotechnology Facility (MONT).
