

# EATONVILLE

POLICE DEPARTMENT- CHIEF JASON LALIBERTE

---

## MEMORANDUM

---

**DATE:** 04/12/2021  
**TO:** MAYOR SCHAUB AND TOWN COUNCIL  
**FROM:** CHIEF JASON LALIBERTE  
**RE:** EATONVILLE POLICE DEPARTMENT'S  
MARCH 2021 REPORT

---

### **General**

We had one incident of a catalytic converter being stolen off a vehicle parked at Bud Blanchard trail. A suspect vehicle was identified but the license plate was not decipherable. I have disseminated information out to the public through social media regarding these thefts as they have spiked in occurrence throughout the region. I have asked my officers to increase patrols of the trail heads and parks.

---

### **Public Safety Committee**

On March 3<sup>rd</sup> we discussed:  
FOOD IS FREE EATONVILLE FOOD BANK LOCATION  
DISCUSSION, WASHINGTON v. BLAKE CASE: RCW 69.50.4013

### **Management Activities**

We are still moving forward with the mobile fingerprint identification beta program. The vendor is working with our and Pierce County's I.T. departments to ensure compatibility and security of the systems. Part of this compatibility includes dual-authentication software which is a prerequisite to installing fingerprint identification software.

- Fix several water leaks around town
- Monitor water projects
- Clean storm system
- Plow snow / deicer
- Work on town hall projects.

# Eatonville Planning Commission

## Monthly Report to the Town Council

4/5/2021

To: Town Council

From: Daniel Adams, Chairman

### General

The meeting went efficiently and well. We got through our agenda items in a timely manner.

### Current Tasks

We made good forward motion on the items in our agenda this month. See below.

- **Review of Title 17.04 and 17.44 Assigned January 2021**
  - The commission voted to leave 17.04 where it is. We decided that to apply the Short Subdivision development regulations for Large Lot Subdivisions while applying for the subdivision itself was too burdensome for applicants because of the size and nature of this type of subdivision.
  - Regarding 17.44 we voted to increase the amount of lots allowed in Short Subdivisions to nine as per allowable in RCW and where permitted in Eatonville. Our motion also subjects this to Short Plat Alterations as well. We feel that this recommendation gives flexibility and options for property owners.
  
- **Planning Department Review and Analysis, Assigned Summer 2020:**

We voted to recommend to the town council that they employ a full time Planner/ Public Works Director. Commissioner Baublits will be on hand to assist in explaining the reasoning behind it at the council meeting on April 12, 2021.

- **Design Standard Review, Assigned early 2018:** We voted to strike Chapter 19 from the municipal code and reconfigure it into guidelines referenced by code.
  - It should be noted that we wish to continue finishing up the design standards review to be included in what we will eventually propose to be guidelines.

I am requesting from the Town Council that we have our next meeting for the Planning Commission on April 19 to continue the work on the Design Standard Review.

Our request for our agenda for our next meeting is as follows:

1. Design Standard Review and Analysis

Thank you and I will be at the meeting this next week if you have any questions for me.

Humbly,  
Daniel Adams  
Chairman Eatonville Planning Commission

FROM: Chief Wernet  
TO: Town Councilmembers  
DATE: April 12, 2021  
RE: Fire Chiefs Report

---
