Bi-weekly Report to the Town Council

7/19/2021

To: Town Council

From: Daniel Adams, Chairman

General

The meeting went efficiently. We got through our agenda items.

Current Tasks

1. EMC Chapter 14-District Regulations review

We went through the design guidelines regarding chapter 19. We worked at removing several pieces that were onerous or unnecessary or didn't fit the character of the commercial districts of Eatonville as they are now. We are continuing the work next time. I am still working with the business community to get feedback from them. Thank you.

As an aside, town staff are ready to present to us their draft of the Accessory dwelling unit code edits and we wish to talk about that next meeting.

I ask that you place the Accessory Dwelling Unit review of edits on our agenda for our next meeting.

Thank you and I will not be here the next three weeks as I am travelling until our meeting on August 16, perhaps afterwards. Commissioner Baublits, co-chair, will represent the Planning Commission while I am away.

Humbly,

Daniel Adams

Chairman Eatonville Planning Commission
