## M E M O R A N D U M

**DATE:** 08/13/2021  
**TO:** MAYOR SCHAUB AND TOWN COUNCIL  
**FROM:** CHIEF JASON LALIBERTE  
**RE:** EATONVILLE POLICE DEPARTMENT'S  
AUGUST 2021 REPORT

---

### **General**

I continue to receive positive feedback from citizens regarding my legislative police reform information packet. I am pleased with the overwhelming amount of support.

---

### **Public Safety Committee**

There was no public safety committee meeting in August.

### ***Management Activities***

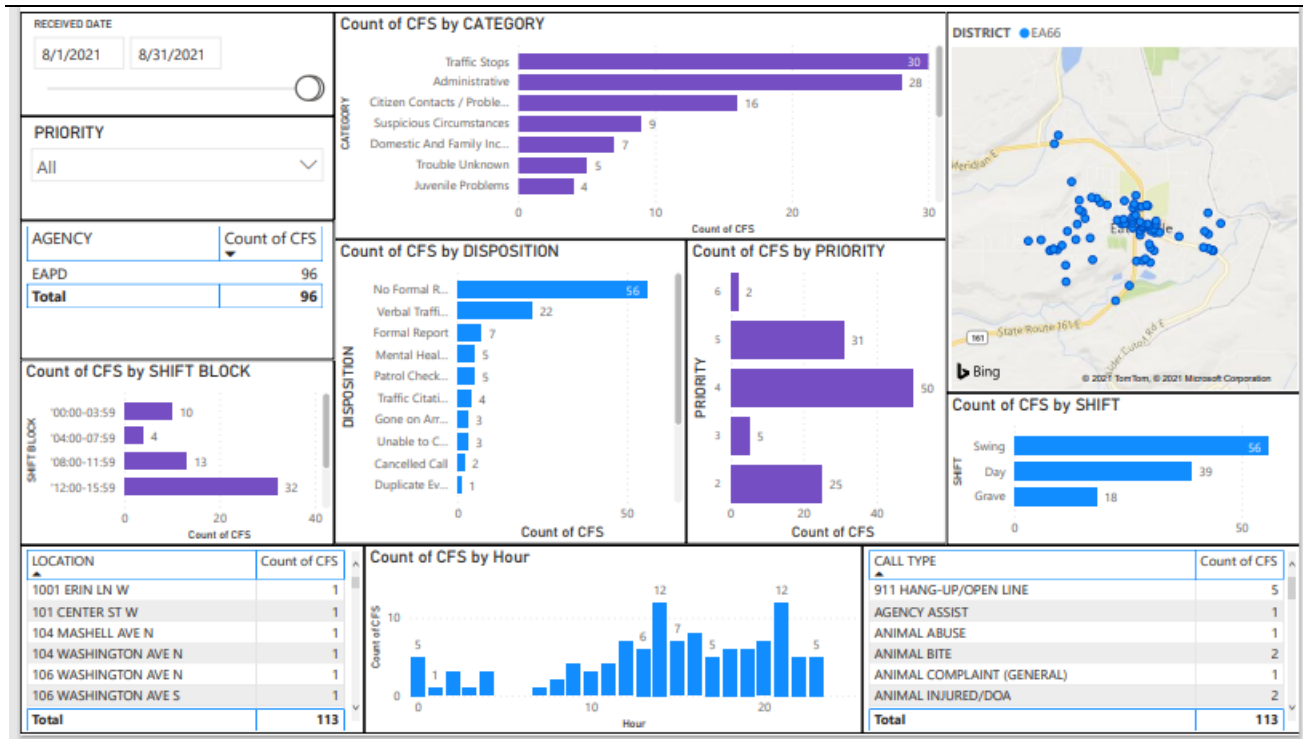

I was on annual and out of state training August 27th through September 3<sup>rd</sup>. Officer McGuire was stepped up in my absence.

On August 18<sup>th</sup> I met with the new Eatonville School Superintendent, Gary Neil. We had a very productive and positive conversation and discussed each other's expectations and how we can work together cohesively.

The PCSD crime analysis unit has developed a new program to allow me to quickly access and tally monthly statistics. This process cuts my report work time in half. I am very happy with the result and I hope the mayor and council find it useful and informative as well.

## Bi-weekly Report to the Town Council

8/16/2021

To: Town Council

From: Daniel Adams, Chairman

### General

The meeting went efficiently. We got through our agenda items.

### Current Tasks

#### **1. EMC Chapter 14-District Regulations review**

We reminded ourselves of how the previous discussions went for the title 19 review for the commercial sections of the design standards. We had more discussions about the commercial standards as a whole and decided what to keep and what to remove. Staff will be preparing a draft for us to review at our next meeting and afterwards we will continue into multi family design standards.

As a side note we are having two hearings on September 7 for a rezone on Washington Avenue and a hearing for Lynch Creek Subdivision. We plan to get back to the design standards after that. I request that our next regular meeting take place on September 21.

Humbly,  
Daniel Adams  
Chairman Eatonville Planning Commission
