EATONVILLE

POLICE DEPARTMENT- CHIEF JASON LALIBERTE

FROM: CHIEF JASON LALIBERTE
RE: EATONVILLE POLICE DEPARTMENT'S
DECEMBER 2021 REPORT

General

I am looking forward to a productive and safe new year. I would like to welcome our new Mayor, David Baublits, and new council members, Peter Paul and Kyle Litzenberger.

Public Safety Committee

There was no public safety committee meeting in December.

Management Activities

EPD's newest Assistant to the Chief, Kendra Morrison, continues to excel in her position and is quickly getting up to speed with procedures and policies, while attaining her required certifications and qualifications to successfully serve in her position.

Eatonville continues to experience a consistent but leveled out number of incidents of commercial and private theft/burglary cases which are consistent with the surrounding unincorporated Pierce County areas. We are targeting specific areas of vulnerability and our officers are aware of, and have reacted to, the need for increased proactiveness.

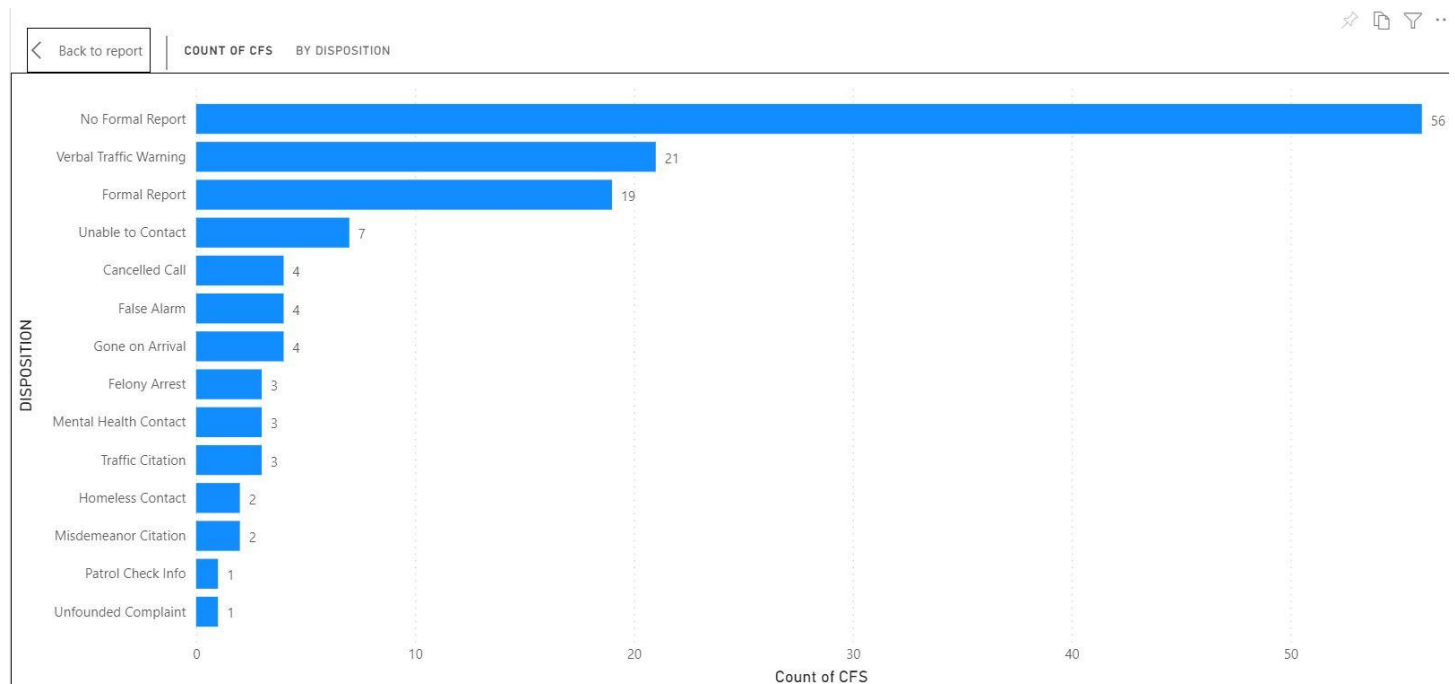

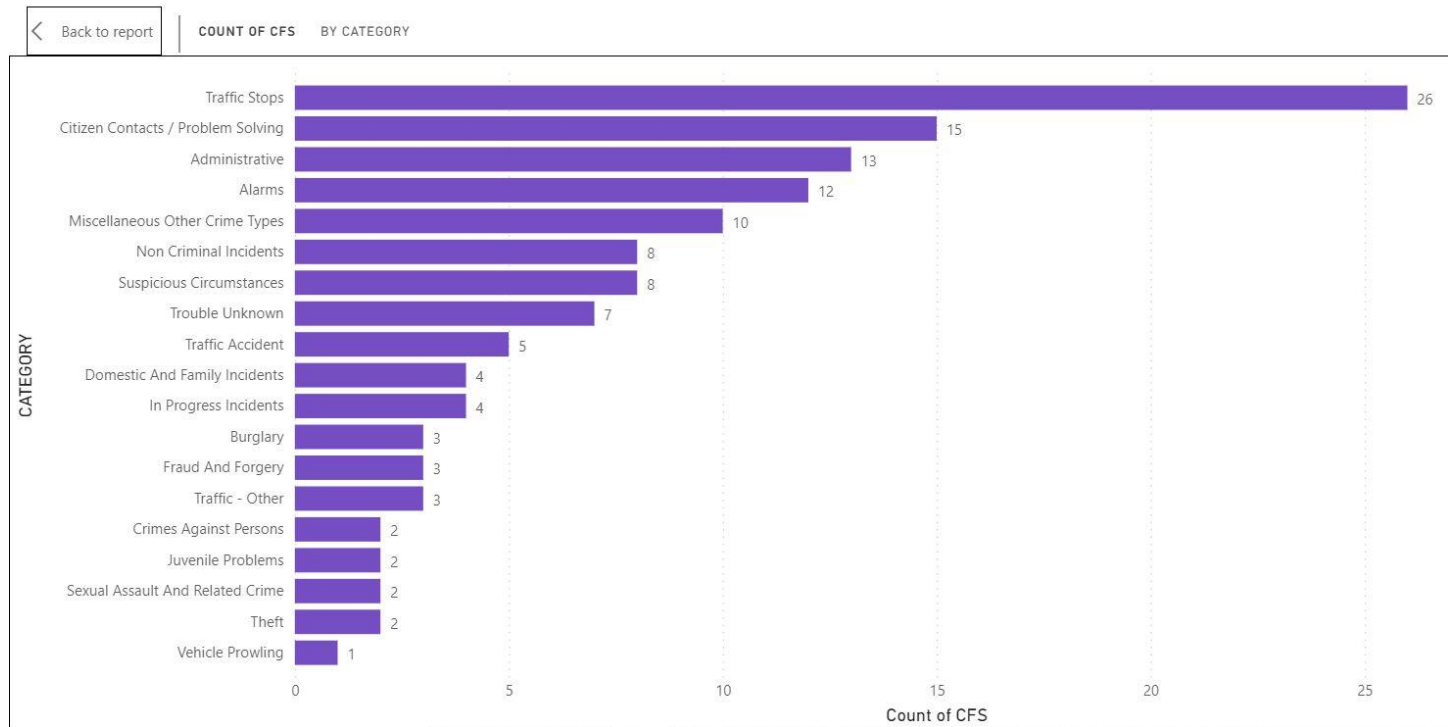

I have several goals for EPD in 2022 which include but are not limited to a town employee training day on response to an active shooter, explore a contract for services with the Nisqually Jail, obtain updated officers' Tasers and replacement automated external defibrillators (AEDs), and conduct community outreach with various groups of diversity within the Town of Eatonville.

I received my body camera and vehicle front dash view/prisoner compartment view cameras from the Pierce County Sheriff's Department. They are currently in deployment.

In December 2021- EPD had 171 total calls for service.
25 traffic stops – 3 Notices of infraction, 1 citation w/ release misdemeanor
42 Fire service calls
2 misdemeanor arrests (non-traffic) – booked
0 felony arrests
PCSD provided coverage for 13 calls for service
