POLICE DEPARTMENT- CHIEF JASON LALIBERTE

---

## M E M O R A N D U M

**DATE:** 03/14/2022  
**TO:** MAYOR BAUBLITS AND TOWN COUNCIL  
**FROM:** CHIEF JASON LALIBERTE  
**RE:** EATONVILLE POLICE DEPARTMENT'S  
FEBRUARY 2022 REPORT

---

### **General**

We will soon begin the search for a candidate to replace Officer Duran. Officer Duran is planning on remaining on staff until we can find his replacement.

---

### **Public Safety Committee**

There was no public safety commission meeting in February.

### **Management Activities**

EPD took delivery of our patrol vehicle for the new police chief. I located the 2021 Dodge Durango at an approved government contract dealer. The vehicle was a "demo" with 400 miles on the odometer which allowed us to take advantage of a \$3750.00 discount. The vehicle was also partially outfitted as a demo which provided a savings over aftermarket outfitting (i.e. cage divider, window barriers, hard passenger compartment seats, push and PIT bars, locking equipment tray, and polymer prisoner seat).

I have begun to procure essential equipment needed for the new police Chief.

We (officers and I) began collaboration on drafting up new design for our patrol car graphics. The new design will be implemented on the new chief's patrol car and will be phased in on the remaining patrol vehicles over the next year or two. The new graphic will most likely feature the EPD patch. I have asked several Town employees for their input as well.

I continue to attend weekly updates from Washington Association of Sheriffs and Police Chiefs (WASPC) regarding legislative updates on bills pertaining to police reform.

In **February** 2021- EPD had 130 total calls for service.

25 traffic stops – 4 Notices of infraction, 0 citation w/ release misdemeanor

40 Fire service calls

0 misdemeanor arrests (non-traffic) – booked

0 misdemeanor arrest (traffic)

0 felony arrests

PCSD provided coverage for 5 calls for service
