PRE - APPLICATION MEETING

A Pre-Application Meeting is an opportunity for developers and their representatives to meet with Town staff to discuss preliminary studies, issues, or concerns of a proposed project. The intent of the meeting is to identify and/or eliminate potential problems prior to a project being submitted. Therefore, the more thorough the information provided, the better Town Staff can assist you.

Applicants are encouraged to bring to the meeting those representatives who will be working on the project during its design/approval stage. The Pre-Application meeting will help you become familiar with Town design standards, plan submittal requirements and permits specific to your proposal, as well as the permitting process in general. The fee for a Pre-Application meeting is **\$210.00 and needs to be scheduled 2 weeks in advance for a mutually agreed upon time, allowing outside consultants time to make arrangements to attend.** See reverse for more information regarding this process.

***** PROJECT INFORMATION *****

Project Name: _____

Site Address: _____ PC Parcel # _____

Project Coordinator/Contact Name: _____ Phone # _____

Company Name: _____ Email Address: _____

Description of Proposed Project: _____

Project Zoning: _____ Current building use: _____
