

EATONVILLE

POLICE DEPARTMENT- CHIEF JASON LALIBERTE

M E M O R A N D U M

DATE: 06/13/2022
TO: MAYOR BAUBLITS AND TOWN COUNCIL
FROM: CHIEF JASON LALIBERTE
RE: EATONVILLE POLICE DEPARTMENT'S
MAY 2022 REPORT

General

Public Safety Committee

May 12th, 2022 – discussion was regarding allocation of ARPA funds for updating Tasers and mobile docking stations for our new laptops and a contract renewal for the National Testing Network for background investigations services.

Management Activities

The negotiations to purchase my former patrol car from PCSD is ongoing and is “on the desk” of Pierce County Finance. I should receive a quote soon which I can present to the mayor/council for approval.

I applied for a grant through the Department of Justice to obtain funding for officer body armor for our replacement officer (restrictions of the grant). We should receive confirmation before the year ends.

EPD was awarded a grant for the ballistic helmets that were previously approved. They have been ordered and we are waiting for delivery. This was unexpected since I applied for the grant last year and we were originally denied funding due to higher priority applicants. I was contacted by the grant funder and told excess funds were available for our use. The exact award amount will be published after its issuance.

On May 6th I had the honor of leading the pledge of allegiance at the May Day festival at Eatonville High School.

On May 18th I attended the first Eatonville Business Association meeting. I was able to network with local business owners and further develop those relationships. I intend on attending future meetings.

My patrol car was completed on May 30th and is now in service. I have already received numerous compliments from citizens on the vehicle, particularly the new graphics. Officer McGuire's vehicle will have the new graphics installed on June 5th. We will phase the remainder of the cars in over time to keep consistency in our branding.

I participated in Pizza with Police on May 19th with the Eatonville Leadership Academy. We had some great discussions and was able to connect with local home-schooled children. I was invited to attend their monthly meetings and intend on doing so intermittently.

MAY 2022

We opened our officer search to entry level in addition to lateral applicants. We have not received any lateral applicants and only 2 entry levels. I am in the process of researching ways to increase our competitiveness in the law enforcement market and to enhance our retention of our current officers.

I attended the Washington Association of Sheriffs and Police Chiefs (WASPC) in Spokane, WA, May 22nd through the 26th. I was able to network with police chiefs and sheriffs from around the state. Most noteworthy, I solidified a training contract with Chief Zaro of the Lakewood Police Department. He has offered his training staff and resources to our department free of charge. This will fulfill our annual training requirements for firearms, active shooter response, defensive tactics, and emergency vehicle operation (EVOC). We are excited to work with Chief Zaro and his team.

In **APRIL** 2021- EPD had 131 total calls for service.

14 traffic stops – 0 Notices of infraction, 1 citation w/ release misdemeanor, 13 verbal warnings

32 Fire service calls

1 misdemeanor arrests (non-traffic) – booked

0 misdemeanor arrest (traffic)

0 felony arrests

14 reports

PCSD provided coverage for 9 calls for service

Public Records Request: *GOVQA report is attached.*
