Bi-weekly Report to the Town Council

9/19/2022

To: Town Council

From: Daniel Adams, Chairman

We had great discussions surrounding our topics this evening.

1. We focused on our last look at the short term rental language. We voted to send it to the Department of Commerce for their nod of approval and plan to have a public hearing on it next month.
2. Our public hearing for a new, revised Title 19 took place and we recommended it to the council this evening. The Department of Commerce's review went well and staff concurred with that view.
3. We plan on having three public hearings on October 17 for the sign code revisions, commercial district language and short term rental regulations. Heads up.

Requested agenda for our next meeting on October 3.
