

## Summary of Changes to Work Product

### Proposed Title 18.04.050 Overlay

1. Formatting and Syntax changed to be more in-line with other titles. (e.g. Intent and Purpose, Applicability and Interpretations)
2. Removed subjective statement from Section (F) regarding attempts at voluntary compliance. I feel that we should simply state what the enforcement mechanism is and leave it at that. I don't know of any other section in the code where we state something like that. This is my own view, so please feel free to debate these changes.
3. Changed allowed nonconforming use to legal nonconforming use as this is the appropriate terminology.

### Proposed Title 20 Short-term Residential Rental Regulations

1. Formatting and Syntax changed to be more in-line with other titles. (e.g. Intent and Purpose, Applicability and Interpretation). I removed the world goals from the title but kept it as a part of the purpose statement.
2. I added the requested definitions.

### Proposed 18.06 Sign Code.

1. Formatting changes – I moved swapped definitions and exemptions as to maintain consistency among section headers and corrected 3 impacted citations.
2. I added the requested definitions.
3. I added the requested code citations.
