COMMENTS FROM CITIZENS

Dan Phillips, 580 Airport Rd. – Thanked the Airport Commission and the Town for the resurfacing of the airport, it looks great.

George Wearn, PO Box 1350, Graham – Handed out a packet of information in regard to Resolution 2022-YY. This which is on file with the Clerk. His property abuts the railroad tracks and he feels there is an appearance of conflict; a possible violation of law by Municipal officers. He feels the museum board has failed to disclose full financial details and a full disclosure of identities, and they have asked the Council to “Trust us”. He also stated that he does not feel that the full details of the phased plan have been presented to Council. He does not feel that this proposal is in the best interest of the Town of Eatonville.
