

## **RESOLUTION 2022-CCC**

### **A RESOLUTION OF THE TOWN OF EATONVILLE, WASHINGTON, STATING THE TOWN OF EATONVILLE’S OPPOSITION TO THE TWO PROPOSED LOCATIONS FOR AN INTERNATIONAL SIZED AIRPORT IN PIERCE COUNTY**

**WHEREAS**, the Commercial Aviation Coordinating Commission (“the Commission”) was tasked by state lawmakers in 2019 with identifying a potential home for a new airport to be constructed by 2040; and

**WHEREAS**, the Commission voted to move forward with analyzing the viability of developing several greenfield locations, two of which are located in Pierce County; and

**WHEREAS**, Pierce County, Office of the County Council, has requested that both Pierce County sites be removed from further consideration as locations for a future primary airport; and

**WHEREAS**, the Eatonville Town Council as well as Town of Eatonville Administration are also opposed to the two Pierce County locations; and

**WHEREAS**, the greenfield sites would likely close off general aviation from southwest Pierce County airports due to air traffic conflicts as well as create serious ground traffic issues; and

**WHEREAS**, these two greenfield sites also face serious infrastructure and environmental challenges as both sites are in the rural area and do not have the infrastructure capable of supporting an airport; now, therefore,

**THE TOWN COUNCIL OF THE TOWN OF EATONVILLE, WASHINGTON,  
HEREBY RESOLVES AS FOLLOWS:**

**THAT:** The Town Council of the Town of Eatonville opposes the inclusion of greenfield sites in Pierce County on the list of new primary airport locations.

**PASSED** by the Town Council of Town of Eatonville and attested by the Town Clerk in authentication of such passage this 14<sup>th</sup> day of November 2022.
