RE: EATONVILLE POLICE DEPARTMENT'S
MAY 2023 REPORT

General

Public Safety Committee – no meeting in May.

Management Activities

In May, I attended reoccurring monthly meetings such as the Pierce County Chief's Association, Eatonville Steering Committee, Eatonville Business Association, Coffee with the Chiefs, WASPC legislative briefings, the south sound law enforcement breakfast, and the Eatonville School District Safety Committee.

10 of the 11 Flock license plate readers have been installed and are in working order. The remaining camera is pending permitting from the State. The system is already proving to be beneficial and has assisted in 2 investigations and provided 31 "hotlist hits" thus far. The system went online on May 15th. As of June 5th, the system has read 374,162 license plates.

May 2nd through the 6th I attended the Professionalizing Law Enforcement Community Engagement Training national conference in Atlanta, GA. It was the first annual conference and was attended by law enforcement from all over the country. The symposium was split up into breakout sessions and were instructed by respected leaders, represented by law enforcement and non-law enforcement professionals. The sessions focused on how to maximize community interaction and engagement.

On May 17th I helped serve pizza at Myles Pizza Depot for Pizza Wednesday.

On May 18th EPD participated in a fundraiser for the Eatonville Family Agency by selling donuts at the Gypsy Wagon. The proceeds totaled \$430.

In May 2023-

EPD had 183 total calls for service.

63 traffic stops –13 Notices of infraction, 3 citation w/ release misdemeanor, 46 verbal warnings, 0 other

39 Fire service calls

0 misdemeanor arrests (non-traffic) – booked/cited

3 misdemeanor arrest (traffic)

0 felony arrests

22 reports

PCSD provided coverage for 9 calls for service

APRIL 2023 REPORT

General

Public Safety Committee – no meeting in April.

Management Activities

In April, I continued to attend reoccurring monthly meetings such as the Pierce County Chief's Association, Eatonville Steering Committee, Eatonville Business Association, Coffee with the Chiefs, WASPC legislative briefings, the south sound law enforcement breakfast, and the Eatonville School District Safety Committee.

We are moving forward and looking forward to the implementation of the Flock Safety license plate reader program as permitting is complete.

In April 2023-

EPD had 184 total calls for service.

64 traffic stops –20 Notices of infraction, 1 citation w/ release misdemeanor, 43 verbal warnings, 0 other

28 Fire service calls

1 misdemeanor arrests (non-traffic) – booked/cited

1 misdemeanor arrest (traffic)

0 felony arrests

16 reports

PCSD provided coverage for 5 calls for service

Eatonville Power & Light

May 2023

Jesse Carroll, Matt Rivera & Clay Kistenmacher

Items that are business as usual to include:

Disconnects/Reconnects

Locates for Customers and Contractors

Meter changes due to age or damage

Other projects we have been working on:

Continued work on Ridge Rd. to transfer services to a new pole. We have to reroute some overhead lines and put in a new pole in order to safely transfer and power up the transformer.

Getting supply items and ordering parts and equipment to prepare some of the Capitol projects to get started. We will stock the items until we can move forward to doing the work.

Participated in a Job fair for school kids. Seemed to be a success. We set up a “demo” pole and had the kids open a cut out switch, let them wear rubber gloves to try and complete small tasks and answered general questions about the Line Trade to the kids and parents.

Continued efforts to organize and clean up around the yard and shop. Everything is coming along well.

Put up flags for Memorial Day

Seasonal flower baskets have also been put in place.

Safety Meeting: metering & general safety

Project and Administration Update

May Activities 2023
