COMMENTS FROM CITIZENS

Lorraine Van Eaton Chang, 301 Center St E – spoke regarding the alley between her property and Mill Haus. She would like to go on the record to say she still wants full use of the alley way that remains. She also wanted to report the parking that is happening on Adams Ave. This is a very narrow street without street parking, so it does block the roadway.

Roslyn Henricks, 465 Airport Rd E – gave an update on the bicycle park. She met with Administration and Council, visiting potential sites. She is hoping that it can proceed in a timely manner for the RCO grant. She is also concerned with the timing of the bicycle park in the CIP.
