

Eisner Health Delivery Hospitals

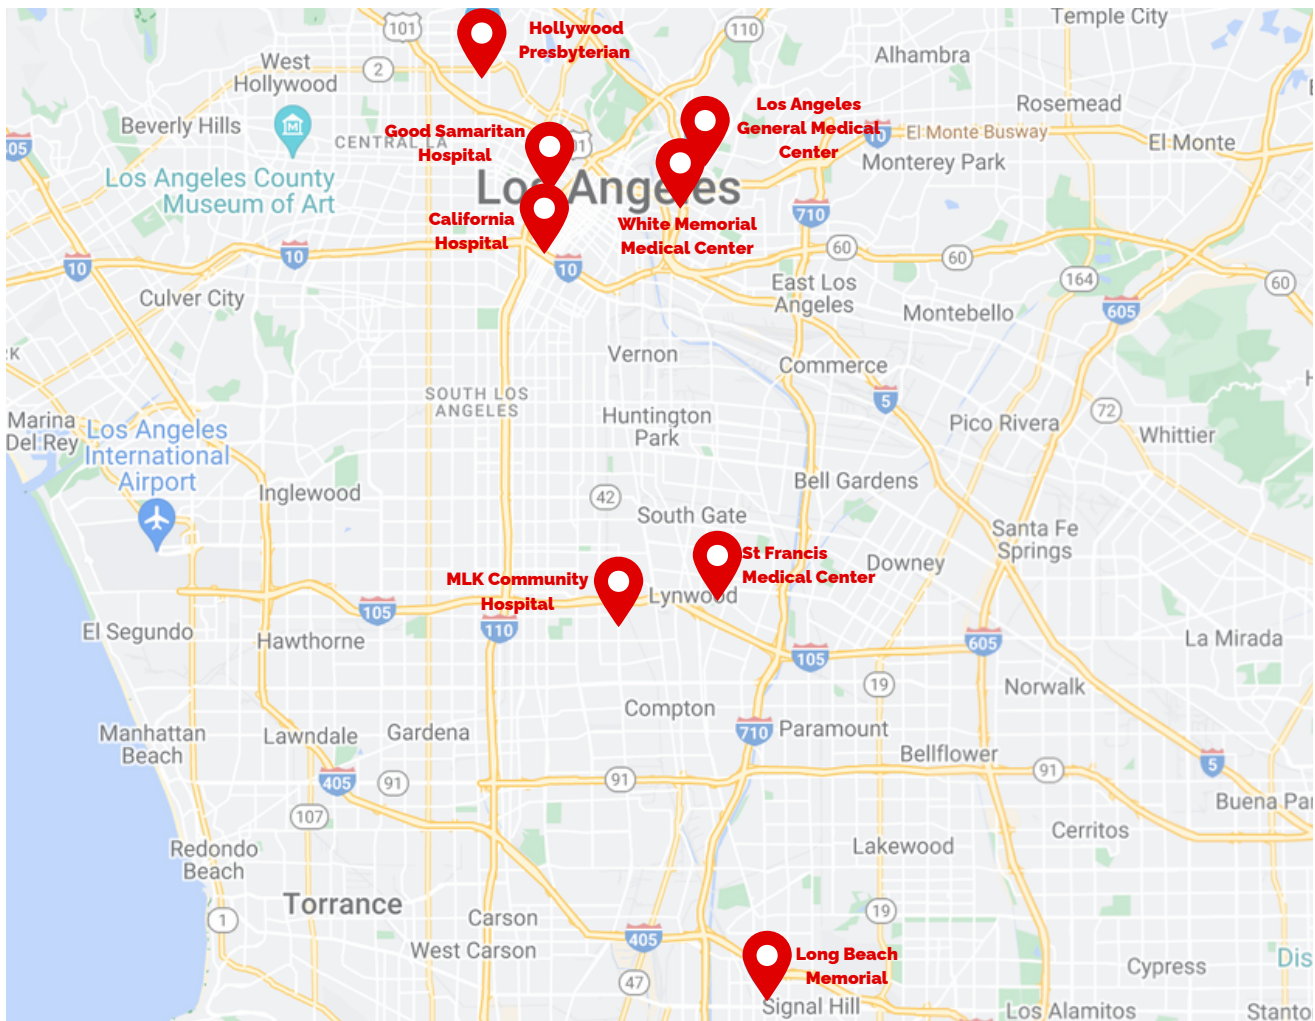

Eisner Health wants you to choose the hospital that is right for you. Every hospital Eisner Health refers to has an OBGYN and anesthesiologist (a doctor who helps manage pain during childbirth) available 24/7.

Each hospital is different, some hospitals have:

- midwives
- special care nurseries
- learners/physicians in training
- private postpartum rooms
- postpartum tubal ligation even after vaginal delivery

For breastfeeding support call our Lactation Warmline at **(213) 905-2273**.

We're here to help you make the best choice for you and your baby, contact our Perinatal Liaison at **(213) 588-0395** or email prenatal.ed@eisnerhealth.org for support.
