Although this space is normally reserved for the President's message, the Mountaineer Staff feels that an expression of welcome for our new President is more appropriate at this time.

Dr. Averno M. Rempel was born in Saskatchewan and holds degrees from universities in both Canada and the United States: B.A. (cum laude) and B.Ed., University of Saskatchewan, 1940 and 1949; M.Ed., University of Omaha, 1951; and Ph.D., State University of Iowa, 1954. He has taught in high school and college, has been a school principal and a school superintendent, a research assistant, and has held the following administrative positions in higher education: Dean, Administrative Assistant, Executive Assistant, Department Head (Education), and College President. Before coming to Eastern Oregon College he held the rank of Professor at Purdue University, where he had been a member of the administrative staff since 1957. He belongs to a number of professional and service organizations, and was President of the North Dakota Higher Education Association in 1956-57.

Dr. Rempel's wide background of experience qualifies him admirably for his present position and we are confident that Eastern Oregon College will reflect his leadership with healthy progress.

Dr. Rempel is pictured here with his wife, Wendy; his daughters, Donna and Deborah; and his son, Gerard. The Mountaineer hopes their stay in La Grande will be a long and happy one.

This year's Mountie footballers had one of their better years in the past few seasons, winning three games and showing a number of skeptics that it could be done at EOC. The Mountaineer extends congratulations to Coach Arch Dunsmoor and the entire squad for a job well done.

EOC's Rooks, coached by Tom Hunt and Dennis Oliver, showed good form and plenty of desire this season. They played a good brand of football.

Glum Mounties take a breather in final game of NAIA playoff. Linfield headed for Kansas City.

MOUNTIES COP OCC TITLE:

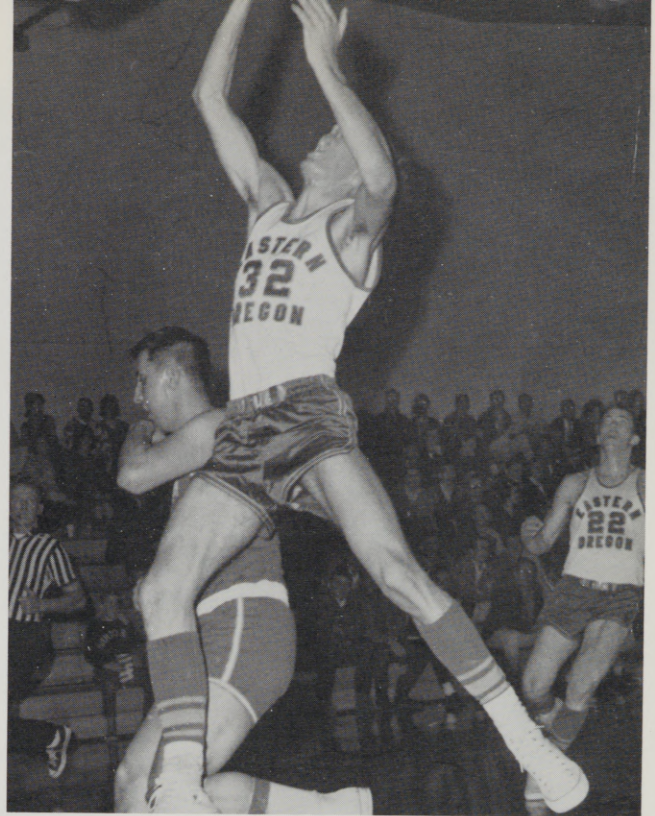

Team work, desire and a never say die attitude brought a second straight OCC basketball championship to EOC. The Mounties captured the title in the next to last game of the season, as they beat Portland State 73-69, while Oregon Tech was losing. The Mounties pulled the big win when necessary in a tough OCC race. EOC finished with a 10-6 conference record.

Congratulations and thanks to Coach Bob Quinn and the entire Mountaineer team for a job well done and a championship well deserved.

DROP NAIA BID TO LINFIELD

Charlie Chapman goes for two.

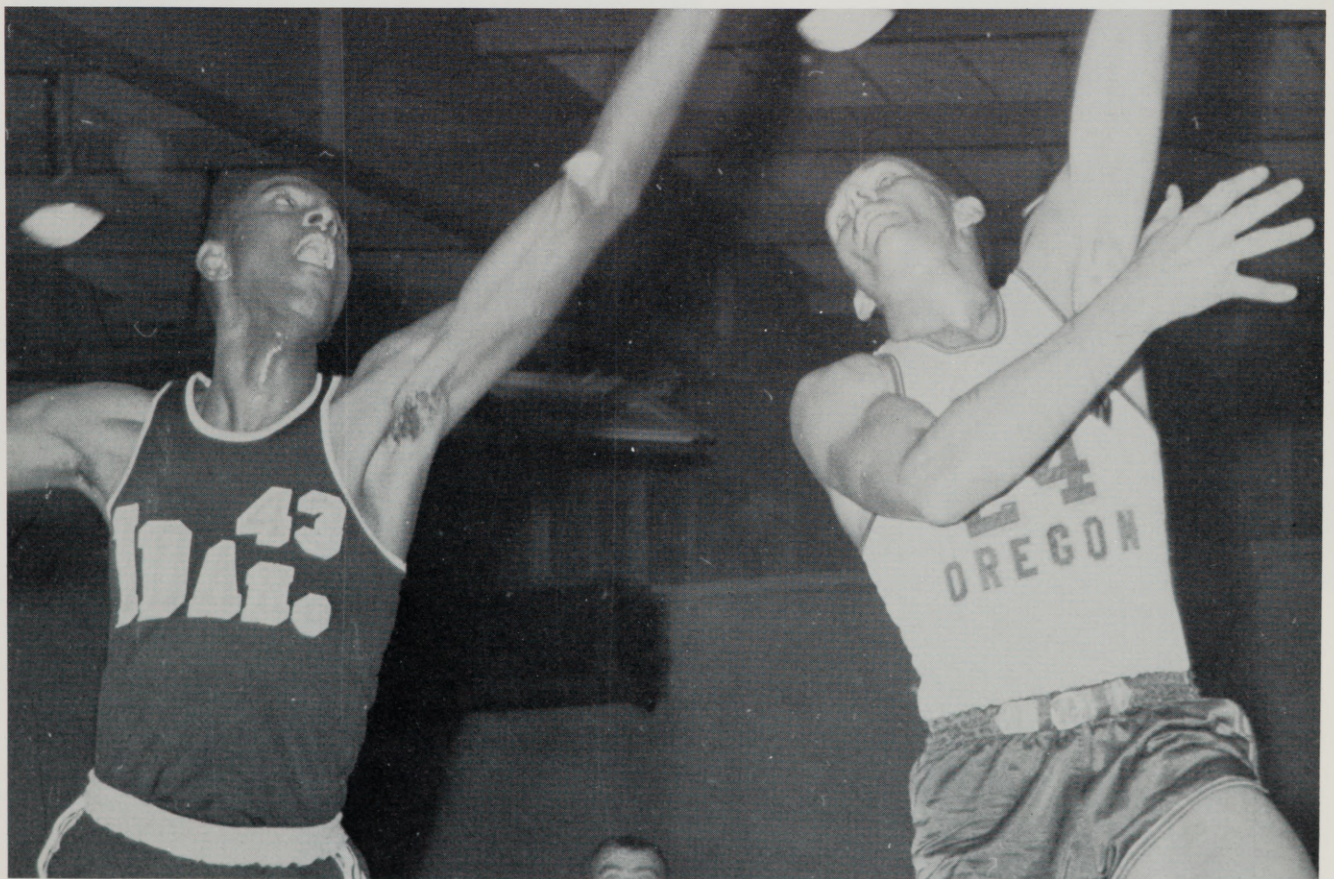

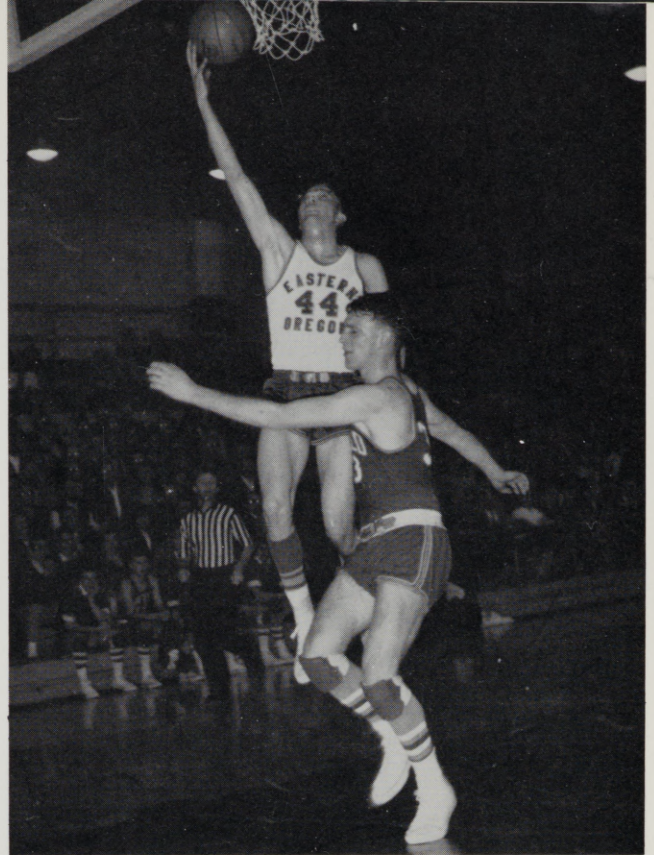

Front: Gerry Galbraith, Fred Langley, Dave Smith, Craig Humphrey, Hank Middleton. Back: Murf Karns, Don McClain, Bob Byrd, Randy Dolven, Charlie Chapman, Coach Bob Quinn.

Mounties, hustle and determination.

McClain a unanimous choice on the first team OCC all-stars, was joined on the star squad by Mounties Dave Smith, Randy Dolven and Craig Humphrey — all second team choices — and Charles Chapman gained Honorable Mention.

Up and on its way.

Dolven and Smith collaborate.

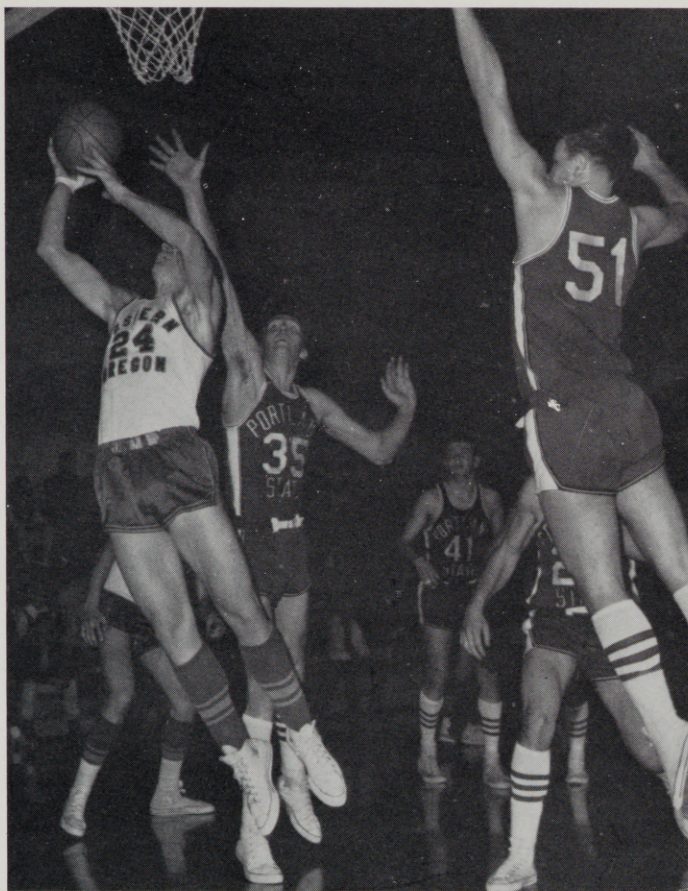

Whoops sorry, but I'd sure like to have a try at it now.

I got him covered, but hey! Where'd the ball go?—Below.

Newsworthy Events

Ground

Dr. Charles Quaintance and David Kerley examine skull fragments of mylodon, ground sloth of the late Pleistocene epoch. The sloth was unearthed on a farm in the Grande Ronde Valley.

Sloth

Restored skull and other bones of Mylodon. This extinct mammal dates from the great ice age, perhaps one million years ago. The skull is slightly over one foot in length.

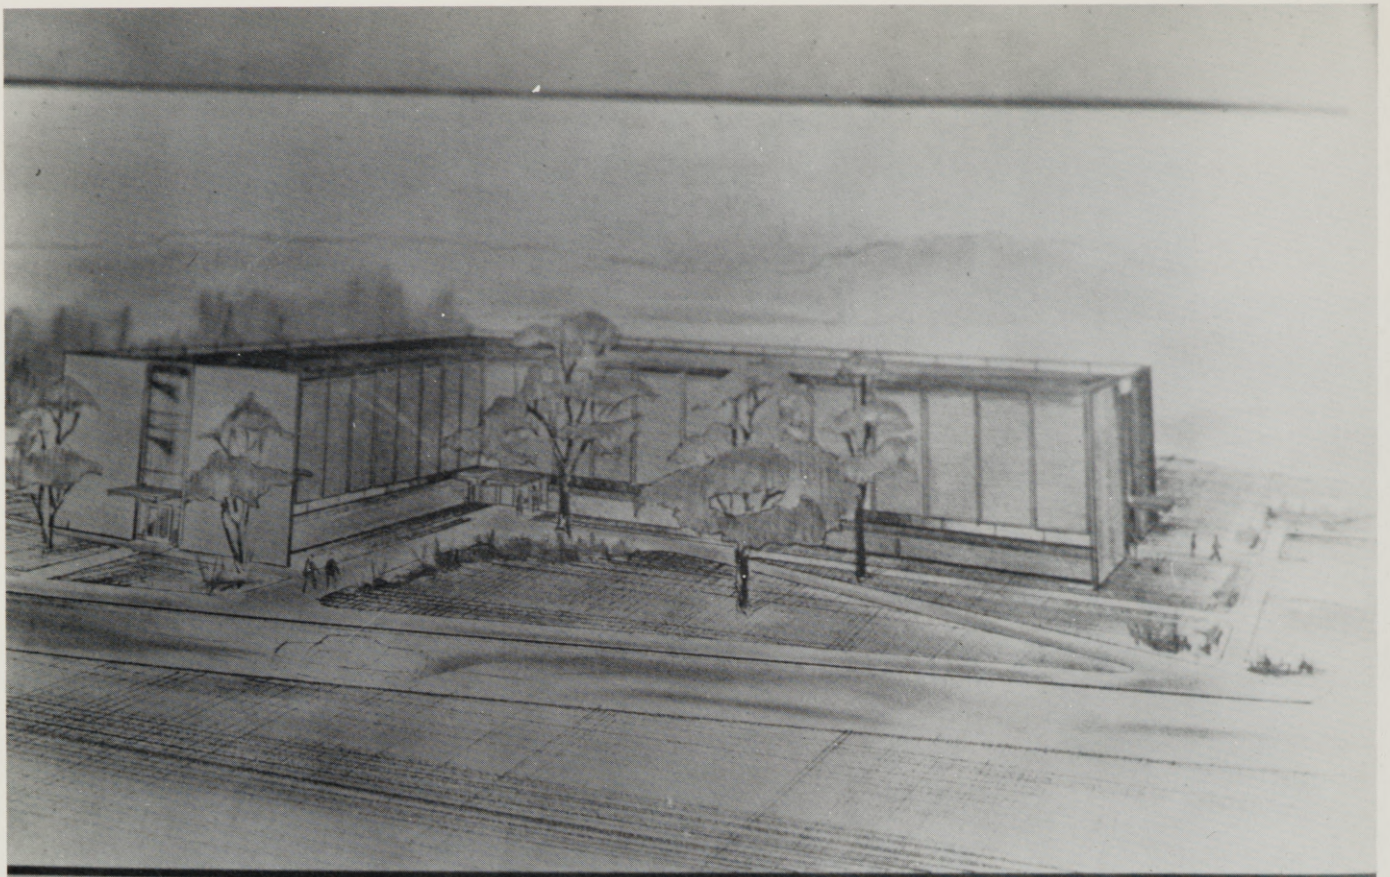

Many members of the EOC student body gave freely of their time and labor to assist authorities during the flood that struck La Grande in January 1965. Other flood pictures appear elsewhere in this edition of the *Mountaineer*.

New Science Building

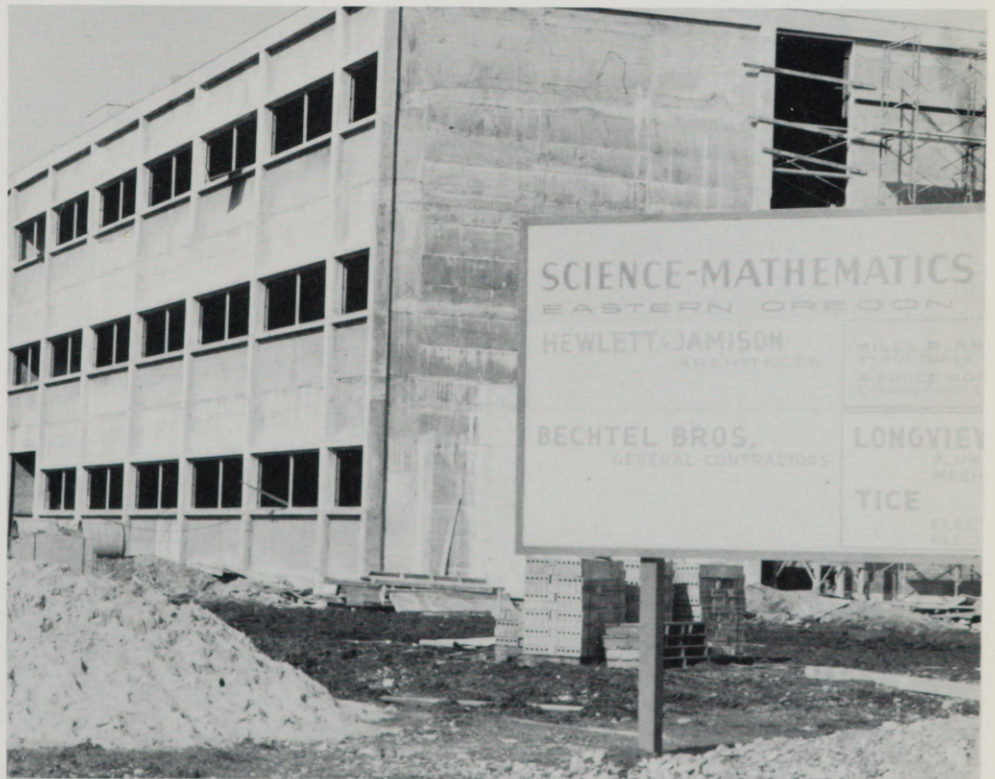

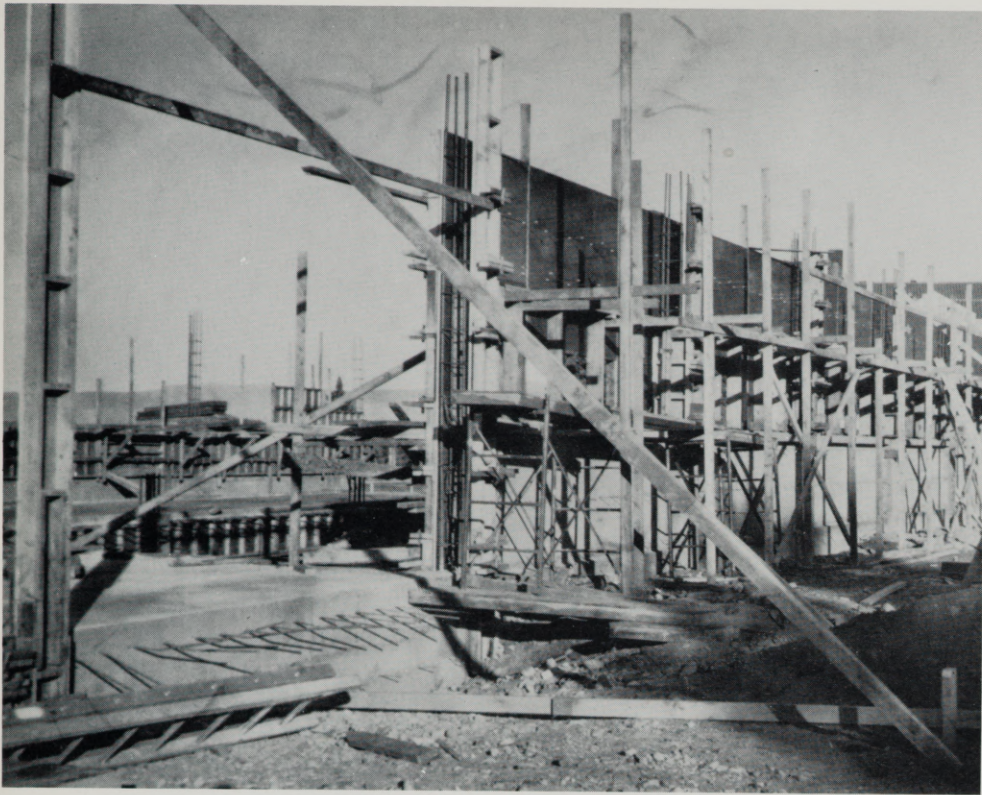

A dream of many years approaches reality as Dr. Ralph Badgley breaks ground for the new Science Building. Sidewalk superintendents include Cecil Posey and Chancellor Roy Lieuallen, representing the State System of Higher Education; Bruce Clausen, La Grande City Manager; Honce Snodgrass, La Grande Chamber of Commerce; Dr. Lyle Johnson, Registrar, and Dr. Frank B. Bennett, President of Eastern Oregon College. Picture was taken just prior to Dr. Bennett's retirement.
