

Happy Mother's Day! Happy Father's Day!

Hey Parents!

Mother's Day and Father's Day both fall in this season, and our fpKIDS Team wanted to provide you with some encouragement!

We know sometimes it might be easy to feel like what you do as a parent is unnoticed or unappreciated. Maybe sometimes you wonder if your kids are even listening when you are trying to pray with them.

We wanted to tell a quick story from the Bible that we hope will encourage you to know your kids are paying attention more than you probably think they are.

There's a man in the Bible named Timothy; Timothy was mentored by the Apostle Paul and became a pastor in Ephesus. This is a man who was following God's call on his life and winning his world.

Listen to what Paul said in a letter he wrote to Timothy:

"I am reminded of your sincere faith, which first lived in your grandmother Lois and in your mother Eunice and, I am persuaded, now lives in you also." 2 Timothy 1:5 NIV.

Paul gives credit to Timothy's mom and grandma for the way they taught him to follow God. And as your child's parent, you get to do the same thing for them that Timothy's mom did for him!

It is primarily the parent's role to disciple a child, and everything you do to teach your kids about Jesus does not go unnoticed! Bringing your child to fpKIDS, praying with them before bed, listening to worship music in the car: God sees all of it, and so do we!

Parents, we love and appreciate you so much! The way you're teaching your kids about God is amazing. God is so proud of you, and we are too. Happy Mother's Day, and Happy Father's Day!
