Accelerator of the Year Award

ACCELERATE[®]
The Center for Growth & Success
POWERED BY FCCS

Advancing a company or team in today's complex world takes commitment and innovation. In recognition of this, FCCS is accepting nominations for individuals – accelerators – who have led the charge and helped their organizations flourish.

The Accelerator of the Year will be someone who has contributed significantly to the growth, advancement and development of their organization in 2020.

We invite you to nominate a significant contributor for the Accelerator of the Year Award...someone who stands out in your mind as THE accelerator, THE contributor, and THE game changer for 2020.

Nomination Process

Please use the Accelerator of the Year nomination form to tell us about your nominee, and plan to include at least two letters of reference or recommendation. Also feel free to include additional information to support your nomination. Our selection committee will review all the nominations and select the Accelerator of the Year based on the information provided, so be as detailed as you like.
