## Announcing the Accelerator of the Year Award for 2021

Advancing a company or team in today's complex world takes commitment and innovation. In recognition of this, FCCS is accepting nominations for individuals – accelerators – who have led the charge and helped their organizations flourish.

*The Accelerator of the Year will be someone who has contributed significantly to the growth, advancement, and development of their organization in 2021.*

We invite you to nominate a significant contributor for the Accelerator of the Year Award...someone who stands out in your mind as THE accelerator, THE contributor, and THE game changer for 2021.

*Who stands out to you for their 2021 energy, excitement and initiatives?*
