

Passkey (formerly the National Discount Program) has brought exclusive savings and solutions on national brands to the employees and directors of Farm Credit for 20 years.

Now, this valuable Program is going one step further by offering select discounts to your customer-owners! This new resource gives Farm Credit one more advantage over the competition. By borrowing from their local Farm Credit association, a customer-owner gains access to discounts on gifts, vehicles, apparel, office supplies, electronics and more.

[Click here](#) to access a downloadable PDF of the discounts you can share with your customer-owners. You may print, email, or even post this document to your website. For any questions or concerns, please contact Passkey Program Manager Heather Tseng at heather.tseng@fccservices.com.
