

FOR FARM CREDIT

Passkey Connects you to Farm Credit's Proven Strategic Partners

As a senior leader in Farm Credit, you are responsible for steering the strategic direction of your organization. Forging alliances with best-in-class partners can help you achieve your vision. You deserve partners who have already proven themselves to accelerate success for Farm Credit entities.

Passkey can help! For more than 20 years, Passkey has been curating the best rates with Farm Credit's most trusted partners and vendors. We are here to help you find the best ones, and to save you money in the process.

Using Passkey is simple:

1. Read this Guide to learn about some of our strategic partners.
2. Log into Passkey [here](#).
3. Find solutions and savings!

Questions on Passkey or any of these offers?
Contact heather.tseng@fccsconsulting.com.

OnBoard is a secure cloud-based portal designed to make board meetings more informed, effective, and uncomplicated. Built for finance leaders, boards, and their committees – OnBoard is trusted by over 2500 boards across the country and the only board management software endorsed by FCCS and Passkey.

OnBoard is the #1 rated board management solution on G2 and Capterra, winning awards for our ease of use, best relationship, and more.

All Passkey members receive a 10% discount from OnBoard.

To visit the OnBoard website, [click here](#).

You can learn more, schedule a demo, learn about pricing, or sign up for a no-commitment 30-day free trial.

Wolters Kluwer

Wolters Kluwer is the trusted leader in compliance management. We enable agricultural lenders to ensure adherence to ever-changing regulatory obligations and help them manage risk, increase efficiency, and produce better business outcomes.

Our expert solutions easily integrate with loan origination and operating systems. We help lenders protect interests and stay compliant by preparing the correct documents, efficiently closing and analyzing digital loans, and mitigating risk with expert lien and title perfection across a wide range of asset types.

Wolters Kluwer is proud of its industry-leading position and long-standing relationship with FCCS and the Passkey program.
