</table>
10) **Express Enrollments/Priority Registration Day 2/One-Click Registration:** Coordinate express enrollment events at our rural and satellite locations, including BCSW and Delano.

11) **Program Mapper Enhancement:** Support faculty in the review and revision of program mapper; as the co-chair of the Curriculum Committee, coordinate program mapper updates with curriculum updates; support process to train one additional position empowered to update the program mapper, particularly over the summer break.

12) **Outreach:** Increase new freshman numbers by 12% during 2022-2023 and another 2% in 2023-2024.

### B. Dual Enrollment / Early College

1) **Refine dualenroll.com:** Improve student facing to clarify the area of student application; ensure staff are training to support site utilization, including non-resident completion of SB150 fee waiver to avoid out-of-state fees.

2) **Scale dual enrollment faculty mentorship program:** Support scaling up of program to include additional mentors; support faculty mentors for each discipline instead of one per department to build the capacity, build rigor in instruction, facilitate open communication, and how to access support services at EC sites, including BCSW (i.e., Writing Center, Library, Tutoring, Student Support Programs, etc.)

3) **Review programs of study for pathway high schools:** Cross-collaboration in curriculum development to ensure alignment with offerings; support evaluation of faculty applications to scale up offerings, including at BCSW and rural locations; support Area F curriculum development and application process.

4) **New Early College Programs:** Continue to grow Early College course offerings at high school locations. Meet with potential partners, facilitate ongoing discussions of new programs.

5) **Pathway Mapper Review:** Embed early college offerings into the pathway maps; update maps in collaborative efforts between EAC and SALT.
6) **Increase use of OER classes**: Support faculty development and utilization of OER; support schedule identification of OER/low cost/no cost sections.

| Program Mapper Team, Curriculum Committee, FCDC | FCDC, Academic technology |
SCFF Category: FTES
Regular (FTES): Increase 12% from 2021-2022 baseline of 13,817 to 15,475 in 2022-2023; and, additional 2% (15,785) in 2023-2024

CDCP (FTES): Increase 5% from 2021-2022 baseline of 36 to 37 in 2022-2023; and, additional 2% (38) in 2023-2024

Non-Credit (FTES): Increase 5% from 2021-2022 baseline of 46 to 48 in 2022-2023; and, additional 2% (49) in 2023-2024

C. Persistence and Retention

1) **Summer Melt Mitigation:** Calling and Messaging Oversee and support calling campaigns to engage students; Direct growth of Agriculture social media and community presence; leverage ocelot to engage students and support enrolment in fall courses;

2) **Bridge to BC:** Foster support for Summer Bridge, and encourage new faculty professional development within Summer Bridge.

3) **Summer Events:** Support summer events on campus, edible garden, regenerative farm, campus farm tours; summer school; welcome events, welcome letters to new and returning students.

4) **Student/Parent Orientation:** Support New Student Convocation, Welcome letter to new students; invite parents to campus events, particularly at rural sites.

5) **New Faculty Onboarding:** Support Area onboarding sessions; New Faculty Seminar; Persistence Initiative Workgroups

13) **Student-Centered Scheduling:** In collaboration with the deans and department chairs, coordinate Student-Centered Scheduling plan for the college, including Finish Fast, and completion of complete degrees and certificates at BCSW and Rural locations.

6) **Persistence Pilot Project - First Year Student Focus:** Progress reports for all; scheduled messaging; no-drop policy; persistence strategy resources

7) **Humanized Digital Resources:** Program and pathway websites; the language of digital messages to students

8) **Guided Pathway Focus:** pathway-specific Canvas messaging; Class updates about pathways; Social media and text messaging outreach by pathway; Milestone check-ins with students - ed plans, updates, registration, petitions.

9) **Financial Aid Support:** Regular messaging; classroom presentations; support provided in person in pathway areas on scheduled days; competitions/incentives for completing FAFSA/Financial Aid file; FAFSA/CADA workshops; Financial Aid scripts to be used in counseling/advising/SID; Financial Aid fairs; Financial Aid Canvas course for all students.

10) **Calling/Text Messaging Campaigns:** Non-returners; did not meet milestones; no ed plan on file; dropped before sthe art of term/first week of term; under-enrolled.

11) **Student Feedback Surveys:** students who received Starfish progress reports due to low performance - support needs.

12) **Updated Counseling/Advising Templates:** Based on updated pathway maps; Dan Hall, SID Team, Counseling, Financial Aid, Adolfo Briseno, Juan Manzano

### SCFF Category: FTES

#### Regular (FTES): Increase 12% from 2021-2022 baseline of 13,817 to 15,475 in 2022-2023; and, additional 2% (15,785) in 2023-2024

#### CDCP (FTES): Increase 5% from 2021-2022 baseline of 36 to 37 in 2022-2023; and, additional 2% (38) in 2023-2024

#### Non-Credit (FTES): Increase 5% from 2021-2022 baseline of 46 to 48 in 2022-2023; and, additional 2% (49) in 2023-2024

### D. Re-enrollment

1. **Student Re-Engagement Center**: The center’s goal is to re-enroll students; designated employees following a communication calendar of campaigns; secure a location to house the team; establish leadership, calendar, and processes.

2. **Develop Communication Plan**: Develop SID calling campaign timelines; create and update the calling/messaging scripts for each campaign; establish a timeline for Pathway Completion Teams to engage in specific campaigns - including financial aid timelines; offer flex week workshops to introduce efforts.

3. **Strategic Communications**: Deploy Motimatic for intentional and targeted re-engagement of stopped-out students using social media outlets.

4. **Student Survey Input**: Deploy a survey to gather information on reasons why students stopped out.

5. **Bridge to BC**: Direct re-enrollment to Bridge to BC for onboarding and to ensure they get reintroduced to campus resources.

6. **Improve Focus on Customer Service**: Ensure the student account screen in Banner is welcoming and does not scare students, often resulting in students dropping classes; refine student messaging in the Banner billing statement.

7. **Develop a Peer Mentoring Program**: Peer mentors by pathway to assist with engagement and persistence campaigns; focus on critical groups and milestone achievement; explore a partnership with Mentor Collective.

8. **Cognos Reports**: Develop a stopped out report by area; stopped out for 1 or 2 semesters, 1 year, and 2 years.

9. **Interact Marketing Tool**: Explore this marketing tool to boost certificate completion.

### E. Rising Scholars Program

1. **Increase Service Areas**: Reach out to leadership in local jails, juvenile facilities, formerly incarcerated/justice-involved, and Kern County probation to increase cohort size, a number of classes offered, and offer more short-term/non-credit classes. Reach out to colleges with successful on-campus programs for formerly incarcerated; assign faculty lead to work directly with justice-involved students on campus.

<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>2) <strong>Canvas Shell:</strong> Instructor training on Canvas protocols, limitations, and possibilities; CCCC0 Rising Scholars Program training.</td>
<td></td>
</tr>
<tr>
<td>3) <strong>Student Support Programs:</strong> Explore assigning a writing center consultant inside the prisons as embedded support; access to BC DSPS services; access to math center and tutoring support; establish a peer-tutoring model inside.</td>
<td></td>
</tr>
<tr>
<td>4) <strong>Student Interest Survey:</strong> Develop and administer a student interest survey before spring registration deadline; use responses to offer classes; explore culinary and criminal justice.</td>
<td></td>
</tr>
<tr>
<td>5) <strong>CSU General Education Certificate:</strong> Work with students’ schedules to ensure that the gen ed certificate requirements are being met.</td>
<td></td>
</tr>
<tr>
<td>6) <strong>Mobile labs/classrooms:</strong> Work directly with prison wardens to explore the possibility of adding mobile labs/classrooms to increase classroom availability inside.</td>
<td></td>
</tr>
<tr>
<td>7) <strong>Hire Additional FT &amp; Adjunct Faculty:</strong> Create RSP specific adjunct hiring pool for all departments teaching inside the prison.</td>
<td></td>
</tr>
<tr>
<td>8) <strong>Strategic Faculty Assignment:</strong> Assign RSP classes first before assigning on-campus sections to designated instructors.</td>
<td></td>
</tr>
<tr>
<td>9) <strong>Targeted Workshops:</strong> Offer flex workshops to current and prospective RSP instructors, evaluation committee members, and possible supporters. Presenters will include the RSP team, faculty, and former students.</td>
<td></td>
</tr>
<tr>
<td>10) <strong>Intra-college faculty sharing:</strong> PC could support BC offerings in Corcoran and other remote locations.</td>
<td></td>
</tr>
<tr>
<td>11) <strong>Recapture FTES:</strong> Identify and add similar courses offered by Coastline and Feather River programs in our RSP facilities to recapture our FTES.</td>
<td></td>
</tr>
<tr>
<td>12) <strong>Increase Dialogue with Stakeholders:</strong> Increase site visits and conversations between local jail/sheriff wardens and the BC executive team to explore new programs, facilities, and opportunities.</td>
<td></td>
</tr>
<tr>
<td>13) <strong>CSUB Alignment:</strong> Develop BA/BS and MA/MS pipelines from the ADTs we offer in RSP locations.</td>
<td></td>
</tr>
<tr>
<td>14) <strong>GED Program Students:</strong> Develop a relationship with GED program staff to build onramp to BC RSP program upon completion of GED.</td>
<td></td>
</tr>
<tr>
<td>15) <strong>Second Chance Pell:</strong> Develop an awareness campaign around 2nd chance Pell eligibility for students.</td>
<td></td>
</tr>
<tr>
<td>16) <strong>Future Employment Opportunities:</strong> Establish Wildland Firefighter Training for RSP students to serve on summer crews; support the development of wildland firefighter skills for future employment opportunities.</td>
<td></td>
</tr>
</tbody>
</table>
### 17) Priority Registration
Provide 2nd-day priority registration to formerly incarcerated students who participated in RSP program before enrolling on campus.

### 18) Campus Engagement
Expand communication between RSP students and BC departments (A&R, Financial Aid, DSPS, etc.)

### 19) Project Hire Up
Apply for participation in CCCCO pilot program, prompted by AG 2425, to provide stipend support to formerly incarcerated students in the Rising Scholars Network to attend college (former foster youth and CalWORKs students also qualify).

### F. Baccalaureate Programs

1. **Research Laboratory Technology Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input

2. **Police Science Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input

3. **Baccalaureate Program Proposal Development** - identify viable programs to propose; establish industry advisory committees; prepare proposals; route for internal/external stakeholder feedback; build a repository

4. **CTEC Student Pipeline** - partnership w CTEC; align CTEC/BC/CSUB programs of study; develop curriculum; facility sharing

5. **Financial Aid Awareness Campaign** - BC baccalaureate program completion benefits awareness campaign, middle-class scholarships

6. **Career Days** - host at industry locations; highlight pathway from a baccalaureate degree to employment

### SCFF Category: FTES

- **Regular (FTES):** Increase 12% from 2021-2022 baseline of 13,817 to 15,475 in 2022-2023; and, additional 2% (15,785) in 2023-2024

- **CDCP (FTES):** Increase 5% from 2021-2022 baseline of 36 to 37 in 2022-2023; and, additional 2% (38) in 2023-2024

### G. Degree Completion with Transfer Focus

1. **Institutionalize Graduation Increase Initiative:** Intrusive outreach and support for completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for all students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.

2. **Progress Benchmark:** Track student progress to acknowledge and encourage completion of momentum points, on track for transfer, and degree completion.
**Non-Credit (FTES):** Increase 5% from 2021-2022 baseline of 46 to 48 in 2022-2023; and, additional 2% (49) in 2023-2024

**3) Reporting Automation:** Develop automated reports for benchmark tracking, calling campaigns, and targeted student support (Cognos and Starfish reports).

**4) Degree and Certificate Awarding Automation:** Develop an automated process for awarding degrees and certificates; utilize a broader team for award verification (A&R, Counseling, CTE); significantly reduce time to award notification.

**5) Transfer Milestones and Process Automation:** Develop a schedule of student notifications regarding transfer milestones and processes; automate the distribution of these messages according to identified timeline; utilize Canvas as part of the outreach structure; include financial aid updates related to transfer students/processes.

**6) Outreach:** Develop outreach material regarding degrees, certificates, transfer options at BC targeting middle/jr high and high school students; collaborate with local schools to interact with students and families; develop transfer-specific workshops and activities for high school students; highlight transfer options and processes; build awareness regarding increased lifeline earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support; attend UC transfer conference with high school partner counselors; leverage and hire high school counselors as professional experts during summer to support outreach and transfer prep processes.

**7) Transfer Evaluation:** Connect with CSUB to have a transfer specialist assigned to BC transfer work; encourage a 30-day turnaround for admission.

**8) Finish in Four:** Refine and re-emphasize Finish in Four pathways with CSUB; update pathway maps/agreements; update marketing materials, counseling/advising scripts; add to GPS course resources to be shared by pathway faculty to all students.

**9) Default and Standardized Ed Plan:** Develop and refine standardized default Ed Plans with ADT focus by the end of Fall 2022; collaborative efforts between EAC and SALT with chairs, area faculty, counseling/advising; ensure students are aware of multiple options; develop resources to help students better understand gen ed options and connection to their overarching academic, employment and personal goals/interests.

**10) Starfish Flags, Reports, and Follow-Ups:** Clarify Starfish flags and reports available to support transfer and completion progress; add/refine GPS Canvas messaging to highlight milestones and progress report processes.
10) **Pathway Completion Coaching Teams**: Refine Pathway Completion Teams to support targeted completion and transfer messaging and milestones; expand GPS bi-weekly meeting invitations to include deans and student services team members to build institutional capacity in transfer/completion support.

12) **Financial Aid Exit Interviews**: Establish financial aid exit interviews for transferring students (loan balances, resources, financial literacy - % of resources left).

13) **Two-Year Transfer Timeline**: Implement transfer timeline for ADT students - 30+ units, sophomore year, BC grad application, FAFSA, CSU/UC application.

14) **Transfer Awareness Campaigns**: Implement series of awareness workshops for various audiences focusing on the transfer process (Jr High/Middle School, High School, Bridge to BC).

15) **Transfer Prep Academy**: Develop transfer prep academy for BC students intending to transfer and their families; provide intrusive supports throughout two-year process to ensure participants are well informed and meet all required milestones and deadlines; build community of practice regarding transfer amongst Transfer Leadership Team, Faculty, EAC, SALT; improve transfer and completion rates and student satisfaction with support provided toward transfer/completion goals.

16) **Transfer in Triumph Initiative**: Build capacity of all BC counselors and advisors to support transfer; BC to CSUB transfer notifications on April 1st; BC/CSUB Starfish shared access/usage; shared reports; community tour; in-depth transfer training for all BC counselors and advisors.

### H. Diversified Hiring

1) **Adjunct Faculty Mentorship Academy** - offer professional development activities to BC adjuncts to build knowledge and capacity; participate in adjunct training as needed, HR/Chair/Dean collaboration.

2) **STEM Faculty Diversification Fellowship** - refine/expand fellowship programming; renew/refine MOUs; identify/train faculty mentors

3) **BC Alumni Outreach** - develop multiple on-ramps to employment at BC for alumni; utilize social media; collaborate with BC Foundation; develop alumni-turned-employee spotlights; clarify the path for becoming a BC employee.
additional 2% (38) in 2023-2024

**Non-Credit (FTES):** Increase 5% from 2021-2022 baseline of 46 to 48 in 2022-2023; and, additional 2% (49) in 2023-2024

**Special Admit (FTES):**
Increase 5% from 2021-2022 baseline of 2,313 to 2,429 in 2022-2023; and, additional 2% (2,478) in 2023-2024

**Incarcerated (FTES):**
Increase 5% from 2021-2022 baseline of 456 to 479 in 2022-2023; and, additional 2% (489) in 2023-2024

employee (minimum qualifications, position descriptions, prep workshops available)

4) **Aspire Faculty Internship** - develop model; conduct campus visits; identify/train faculty mentors; explore housing options for interns

5) **CDCP Series: Pathway to Community College Professorship** - develop curriculum; offer sequence of NC courses for CDCP series credit; market broadly

6) **Faculty Recruitment Partnerships** - CSUB, UC Merced, Kelly Services, Teach for America, other recruitment partnerships; build pipeline for areas of greatest need

7) **Recruitment Postings/Website Redesign** – Coordinate redesign of Finish Fast, Accreditation, and Agriculture Department webpages, increased social media presence of Agriculture and edible garden.

**Supplemental (college-wide data)**

class visits - engage with students taking summer classes, ensure prep for Fall term.

4) **Student/Parent Orientation and Convocation:** Informational tables for AB540 support program; benefits of financial aid presentations and break out application support sessions; generate parent buy-in.

6) **Area Outreach:** New Student and Returning Student Welcome Letter; Farm and Garden tours. Host events at Garden and Kern County Fairgrounds, including Intercollegiate Rodeo Event.

7) **New Faculty Onboarding:** Encourage participation in New Faculty Seminar and Bridge to BC; Persistence Initiative Workgroups.

9) **Persistence Pilot Project - First Year Student Focus:** Progress reports for all; scheduled messaging; no-drop policy; persistence strategy resources; AB540 team will encourage students to participate.

10) **Financial Aid Support:** Regular messaging; classroom presentations; support provided in person in pathway areas on scheduled days; competitions and incentives for completing FAFSA/CADAA applications; conduct financial aid application workshops; Financial Aid scripts to be used in counseling and advising/SID; Financial Aid fairs; Financial Aid Canvas course for all students.

11) **Calling/Text Messaging Campaigns:** Non-financial aid completers; AB540 stopped out students.

12) **Cross training on financial aid applications:** EAC/SALT key collaborators to support the financial aid application process.

13) **Canvas Hub of Student Supports:** AB540 and Office of Financial Aid resources and student support.

14) **Student Employment/Work-based Learning:** Expand WBL opportunities for students across pathways; student employment fairs - in person and online.

15) **Graduation Increase Initiative:** strategic review of AB540 student records - grad check review based on units completed; individual student outreach/follow-up to finalizing needed registration, commencement RSVP, etc.

16) **Reg365:** Explore full-year registration system for AB540 students.

17) **CRM Recruit:** customize to use for persistence messaging/support for AB540 students; develop/implement persistence outreach campaigns; targeted messaging on Pell and CCPG completion.

18) **Persistence Data:** Achieving the Dream (ATD) data coach support specifically for AB540 eligible students; refined persistence dashboards/training; data review and faculty/staff/student feedback; identify highest yield persistence opportunities; Cognos persistence reports

<td>5) <strong>Bridge to BC</strong>: Direct re-enrollment to Bridge to BC for onboarding and to ensure they get reintroduced to campus resources; AB540 and financial aid will continue to be part of the messaging.</td>
</tr>
<tr>
<td>6) <strong>Develop a Peer Mentoring Program</strong>: Peer mentors by pathway to assist with engagement and persistence campaigns; focus on critical groups and milestone achievement; explore partnership with Mentor Collective.</td>
</tr>
</tbody>
</table>
7) **Cognos Reports:** Develop a stopped out report by area and affinity groups (AB540); stopped out for 1 or 2 semesters, 1 year, and 2 years; ensure that Cognos reports include information on the completion of a financial aid application.

### E. Rising Scholars Program

1) **Student Support Programs:** Explore assigning a writing center consultant inside the prisons as embedded support; provide access to AB540 services; access to math center and tutoring support; establish a peer-tutoring model inside.

2) **Student Interest Survey:** Develop and administer a student interest survey prior to spring registration deadline; use responses to offer classes; explore culinary and criminal justice; AB540 team will review survey results and follow up with eligible students.

3) **Hire Additional FT & Adjunct Faculty:** Create RSP specific adjunct hiring pool for all departments teaching inside the prison; provide awareness about AB540 services and financial aid applications to RSP students.

4) **Second Chance Pell:** Develop awareness campaign around 2nd chance Pell eligibility for eligible AB540 students; CADAA for California residents.

### F. Baccalaureate Programs

1) **Financial Aid Awareness Campaign** - BC baccalaureate program completion benefits awareness campaign; middle class scholarships; CADAA and FAFSA application workshops and completion monitoring.

2) **Targeted Recruitment** - Increase AB540 participation and support completion for Baccalaureate Programs.

### G. Degree Completion with Transfer Focus

1) **Institutionalize Graduation Increase Initiative:** Intrusive outreach and support for AB540 students’ completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for AB540 students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.

2) **Progress Benchmark:** Track AB540 student progress to acknowledge and encourage completion of momentum points, on track for transfer, degree completion.

3) **Outreach:** Collaborate with local schools to interact with AB540 students and families; develop transfer-specific workshops and activities for high school students; highlight transfer options and processes; build awareness regarding increased lifeline earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support for AB540 students.
school students; highlight transfer options and processes; build awareness regarding increased lifetime earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support for AB540 students.

4) **Financial Aid Exit Interviews**: Establish financial aid exit interviews for transferring students (loan balances, resources, financial literacy - % of resources left).

**H. Diversified Hiring**

1) **BC Alumni Outreach** - develop multiple on-ramps to employment at BC for alumni; utilize social media; collaborate with BC Foundation; develop alumni-turned-employee spotlights; clarify the path for becoming a BC employee (minimum qualifications, position descriptions, prep workshops available).

2) **Faculty Recruitment Partnerships** - CSUB, UC Merced, Kelly Services, Teach for America, other recruitment partnerships; build pipeline for areas of greatest need.

3) **Recruitment Postings/Website Redesign** - Support Website re-design for specific programs: Agriculture department, Finish Fast

**Student Success: Agriculture**

### Bakersfield College SCFF (2-Year Target)

#### SCFF Category: Student Success

1. **Associates for Transfer:** Increase 10% from 2021-2022 baseline of 2,161 to 2,377 in 2022-2023; and, additional 2% (2,425) in 2023-2024
2. **Associates:** Increase 10% from 2021-2022 baseline of 1,190 to 1,309 in 2022-2023; and, additional 2% (1,335) in 2023-2024
4. **Certificates:** Increase 10% from 2021-2022 baseline of 493 to 542 in 2022-2023; and, additional 2% (553) in 2023-2024

### Work Plan & Tactics

#### A. New Student Outreach / Yield

1. **High School Outreach:** Work with Agriculture faculty to update Program Mapper Maps. Host events oriented toward HS students, including South Valley FFA Opening Closing Contest. Develop MOU partnerships to enable interested HS students to utilize the BC farm and enroll in Work Experience courses, beginning with Garces High School.
2. **Kern County College Night:** Represent at Kern County College Night.
3. **Kern Economic Development STEMposium, STEM, and MESA Student Organizations:** Encourage engagement and support for student transition to BC STEM majors; provide connection to STEM tutoring, mentorship, cohort experience.
4. **KHSD Health & Energy Academy:** Engage students involved in KHSD Health and Energy Academies.
5) **Career Awareness & Planning:** Implement career awareness and planning to help students obtain customized CSEP and related work-based learning experiences.

6) **Comprehensive Student Education Plan:** Develop CSEPs beginning at 9th grade level to ensure that dual and concurrent enrolled courses are included, providing a clear path for student completion of degree/certificate.

7) **Schedule of Classes:** Open schedule of classes earlier for students to select and plan their courses for express enrollments each term, in alignment with pathway-informed CSEP.

8) **Annual Update Form:** All terms will be included on update form to allow students to enroll for the year, ensuring maximum opportunity to complete their program of study.

9) **Express Enrollments/Priority Registration, Day 2/One-Click Registration:** Increase number of express enrollment event offerings at high schools and BC campus locations; all hands on deck for high school priority registration day; develop a One-Click registration app aligned to program mapper specifically for BC for student ease of use.

10) **Program Mapper Enhancement:** Courses offered to meet student’s availability and program of study requirements; ensure that the current program mapper is continually updated.

### B. Dual Enrollment / Early College

1) **Refine dualenroll.com:** Improve student facing to clarify the area of student application; fix requirement of entering a social security on CCCApply causing students not to be enrolled on dual enroll; non-resident completion of SB150 fee waiver to avoid out of state fees; update form to include all terms for annual enrollment; align registration options to CSEP, Pathway Mapper.

2) **Scale dual enrollment faculty mentorship program:** Support Agriculture Faculty Lead professional development interactions with HS instructors; Hire qualified instructors; support instructional training.

   **Review programs of study for pathway high schools:** Formalized structure, cross collaboration in curriculum development to ensure alignment; assign math instructors with over a 1.0 load and continue to scale up offerings so students can complete degree/certificate; area F will need more faculty.
3) **New Early College Programs:** New Early College Programs: 
   Growth Focus – Hire faculty to support expansion of Agriculture 
   department EC programs; Lead efforts to explore new EC 
   partnerships, including placement of EC programs at satellite and 
   rural campuses (BCSW, Delano, etc.); Cultivate and support 
   existing EC relationships, including a strengthening of internal ties 
   between BC EC team and BC Instruction; support Agriculture 
   faculty lead when meeting with HS faculty. 

4) **Pathway Mapper Review:** Embed early college offerings into the 
   pathway maps; update maps in collaborative efforts between EAC 
   and SALT. 

5) **Increase use of OER classes:** select courses and instructors that 
   are using OER to mitigate cost of textbooks for dual enrollment / 
   early college students; increase awareness of OER offerings; 
   ensure OER sections are clearly labeled 

### C. Persistence and Retention 
1) **Summer Melt Mitigation:** Communicate value of Bridge to BC; 
   Lead Calling Campaign outreach from SID to students not yet 
   registered for courses; through ANCa pathway and Guided 
   Pathways Strategies Team, encourage pathway students to enroll 
   in Spring Bridge to BC if they did not enroll in Summer. 

2) **Bridge to BC:** Support new faculty professional development 
   through participation; Support assignment of student workers to 
   Bridge to BC team to support outreach and registration efforts. 
   New faculty participation; area tours; auto-enroll participants into 
   math and English bootcamp; outreach to re- 
   enrollment/disqualification students - customize groupings to fit 
   student profiles.; clarify path to completing degree/certificate. 

3) **Summer Events:** Provide 
   outreach/counseling/advising/registration/financial aid support at 
   summer events on campus - Step Up to STEM, Summer Musical, 
   etc.; Offer area-specific tours/welcome events; Summer School 
   class visits - engage with students taking summer classes, ensure 
   prep for Fall term. 

4) **Student/Parent Orientation:** Develop/Implement full-day 
   orientation for incoming students and parents; instruction and

</tbody>
</table>
### D. Re-enrollment

1. **Student Re-Engagement Center:** The center’s goal is to re-enroll students; designated employees following communication calendar of campaigns; secure location to house the team; establish leadership, calendar, and processes.

2. **Develop Communication Plan:** Develop SID calling campaign timelines; create and update the calling/messaging scripts for each campaign; establish timeline for Pathway Completion Teams to engage in specific campaigns - including financial aid timelines; offer flex week workshops to introduce efforts.

3. **Strategic Communications:** Deploy Motimatic for intentional and targeted re-engagement of stopped-out students using social media outlets.

4. **Student Survey Input:** Deploy a survey to gather information on reasons why students stopped out.

5. **Bridge to BC:** Direct re-enrollment to Bridge to BC for onboarding and to ensure they get reintroduced to campus resources.

6. **Improve Focus on Customer Service:** Ensure student account screen in Banner is welcoming and does not scare students, often resulting in students dropping classes; refine student messaging in the Banner billing statement.

7. **Develop a Peer Mentoring Program:** Peer mentors by pathway to assist with engagement and persistence campaigns; focus on critical groups and milestone achievement; explore partnership with Mentor Collective.

8. **Cognos Reports:** Develop a stopped out report by area; stopped out for 1 or 2 semesters, 1 year, and 2 years.

9. **Interact Marketing Tool:** Explore this marketing tool to boost certificate completion.

### E. Rising Scholars Program

1. **Increase Service Areas:** Reach out to leadership in local jails, juvenile facilities, formerly incarcerated/justice involved, and Kern County probation to increase cohort size, number of classes offered, offer more short-term/non-credit classes. Reach out to colleges with successful on-campus programs for formerly incarcerated; assign faculty lead to work directly with justice involved students on campus.
2) **Canvas Shell**: Instructor training on Canvas protocols, limitations, possibilities; CCCCO Rising Scholars Program training.

3) **Student Support Programs**: Explore assigning a writing center consultant inside the prisons as embedded support; access to BC DSPS services; access to math center and tutoring support; establish a peer-tutoring model inside.

4) **Student Interest Survey**: Develop and administer a student interest survey prior to spring registration deadline; use responses to offer classes; explore culinary and criminal justice.

5) **CSU General Education Certificate**: Work with students’ schedules to ensure that the gen ed certificate requirements are being met.

6) **Mobile labs/classrooms**: Work directly with prison wardens to explore possibility of adding mobile labs/classrooms to increase classroom availability inside.

7) **Hire Additional FT & Adjunct Faculty**: Create RSP specific adjunct hiring pool for all departments teaching inside the prison.

8) **Strategic Faculty Assignment**: Assign RSP classes first before assigning on-campus sections to designated instructors.

9) **Targeted Workshops**: Offer flex workshops to current and prospective RSP instructors, evaluation committee members, and possible supporters. Presenters will include the RSP team, faculty, and former students.

10) **Intra-college faculty sharing**: PC could support BC offerings Corcoran and other remote locations.

11) **Recapture FTES**: Identify and add similar courses offered by Coastline and Feather River programs in our RSP facilities to recapture our FTES.

12) **Increase Dialogue with Stakeholders**: Increase site visits and conversations between local jail/sheriff wardens and BC executive team to explore new programs, facilities, and opportunities.

13) **CSUB Alignment**: Develop BA/BS and MA/MS pipelines from the ADTs we offer in RSP locations.

14) **GED Program Students**: Develop relationship with GED program staff to build onramp to BC RSP program upon completion of GED.

15) **Second Chance Pell**: Develop awareness campaign around 2nd chance Pell eligibility for students.

16) **Future Employment Opportunities**: Establish Wildland Firefighter Training for RSP students to serve on summer crews;
support development of wildland firefighter skills for future employment opportunities.

17) **Priority Registration:** Provide 2nd day priority registration to formerly incarcerated students who participated in RSP program prior to enrolling on campus.

18) **Campus Engagement:** Expand communication between RSP students and BC departments (A&R, Financial Aid, DSPS, etc.)

19) **Project Hire Up:** Apply for participation in CCCCCO pilot program, prompted by AG 2425, to provide stipend support to formerly incarcerated students in the Rising Scholars Network to attend college (former foster youth and CalWORKs students also qualify).

G. **Degree Completion with Transfer Focus**

1) **Institutionalize Graduation Increase Initiative:** Intrusive outreach and support for completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for all students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.

2) **Progress Benchmark:** Track student progress to acknowledge and encourage completion of momentum points, on track for transfer, degree completion.

3) **Reporting Automation:** Develop automated reports for benchmark tracking, calling campaigns, and targeted student support (Cognos and Starfish reports).

4) **Degree and Certificate Awarding Automation:** Develop automated process for awarding degrees and certificates; utilize broader team for award verification (A&R, Counseling, CTE); significantly reduce time to award notification.

5) **Transfer Milestones and Process Automation:** Develop schedule of student notifications regarding transfer milestones and processes; automate distribution of these messages according to identified timeline; utilize Canvas as part of outreach structure; include financial aid updates related to transfer students/processes.

6) **Outreach:** develop outreach material regarding degrees, certificates, transfer options at BC targeting middle/jr high and high school students; collaborate with local schools to interact with students and families; develop transfer-specific workshops and activities for high school students; highlight transfer options
and processes; build awareness regarding increased lifeline earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support; attend UC transfer conference with high school partner counselors; leverage and hire high school counselors as professional experts during summer to support outreach and transfer prep processes.

7) **Transfer Evaluation:** Connect with CSUB to have a transfer specialist assigned to BC transfer work; encourage a 30-day turnaround for admission.

8) **Finish in 4:** Collaborate with CSUB to refine and re-emphasize Finish in 4 pathways; update pathway maps/agreements; update marketing materials, counseling/advising scripts; add to GPS course resources to be shared by pathway faculty to all students.

9) **Default and Standardized Ed Plan:** Explore development of default, standardized education plans with ADT focus; work closely with chairs, area faculty, counseling/advising, deans for input; identify recommend course lists within areas where students have multiple options (i.e. gen ed areas); ensure students are aware of multiple options when available; develop resources to help students better understand gen ed options and connection to their overarching academic, employment and personal goals/interests.

10) **Starfish Flags, Reports, and Follow-Ups:** Clarify Starfish flags and reports available to support transfer and completion progress; add/refine GPS Canvas messaging to highlight milestones and progress report processes regarding transfer/completion; train faculty and staff to support transfer/completion coaching.

11) **Pathway Completion Coaching Teams:** Refine Pathway Completion Teams to support targeted completion and transfer messaging and milestones; expand GPS bi-weekly meeting invitations to include deans and student services team members to build institutional capacity in transfer/completion support.

12) **Financial Aid Exit Interviews:** Establish financial aid exit interviews for transferring students (loan balances, resources, financial literacy - % of resources left).

13) **Two-Year Transfer Timeline:** Implement transfer timeline for ADT students - 30+ units, sophomore year, BC grad application, FAFSA, CSU/UC application.
### 14) Transfer Awareness Campaigns
Implement series of awareness workshops for various audiences focusing on the transfer process (Jr High/Middle School, High School, Bridge to BC).

### 15) Transfer Prep Academy
Develop transfer prep academy for BC students intending to transfer and their families; provide intrusive supports throughout two-year process to ensure participants are well informed and meet all required milestones and deadlines; build community of practice regarding transfer amongst Transfer Leadership Team, Faculty, EAC, SALT; improve transfer and completion rates and student satisfaction with support provided toward transfer/completion goals.

### 16) Transfer in Triumph Initiative
Build capacity of all BC counselors and advisors to support transfer; BC to CSUB transfer notifications on April 1st; BC/CSUB Starfish shared access/usage; shared reports; community tour; in-depth transfer training for all BC counselors and advisors.

---

### 3) Baccalaureate
Increase 100% from 2021-2022 baseline of 4 to 8 in 2022-2023; and, additional 100% (16) in 2023-2024

### F. Baccalaureate Programs

1. **Research Laboratory Technology Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input
2. **Police Science Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input
3. **Baccalaureate Program Proposal Development** - identify viable programs to propose; establish industry advisory committees; prepare proposals; route for internal/external stakeholder feedback; build repository
4. **CTEC Student Pipeline** - partnership w CTEC; align CTEC/BC/CSUB programs of study; develop curriculum; facility sharing
5. **Financial Aid Awareness Campaign** - BC baccalaureate program completion benefits awareness campaign; middle class scholarships
6. **Career Days** - host at industry locations; highlight pathway from baccalaureate degree to employment
5) **Transfer Level Math & English:**
Increase 10% from 2021-2022 baseline of 581 to 639 in 2022-2023; and, additional 2% (652) in 2023-2024

### A. New Student Outreach / Yield

1) **Early Awareness:** Presentations to local Middle School/Jr. High Students; offer field trips to BC campuses; conduct awareness presentations to parents; offer NC courses to parents; discuss

2) **High School Outreach:** Presentations to local high school students; conduct matriculation workshop series – CCCApply, CSEP, Financial Aid application, registration; offer workshops and cross-training opportunities to high school counselors on the value of CCC education, student support offerings, financial aid literacy, BC matriculation, registration, and building students’ pathway mapper; present during high school staff and community committee meetings.

6) **Career Awareness & Planning:** Implement career awareness and planning to help students prepare for their BC matriculation steps.

7) **Comprehensive Student Education Plan:** Develop CSEPs beginning at 9th grade level to ensure that dual and concurrent enrolled courses are included, providing a clear path for student completion.

8) **Schedule of Classes:** Open schedule of classes earlier for students to select and plan their courses for express enrollments each term.

9) **Annual Update Form:** All terms will be included on update form to allow students to enroll for the year.

10) **Express Enrollments/Priority Registration Day 2/iClick Registration:** Increase number of express enrollment offerings at high schools and BC campus locations; all hands on deck for high school priority registration day; develop an iClick registration app specifically for BC for student ease of use.

11) **Program Mapper Enhancement:** Courses offered to meet student’s availability and course of study requirements; ensure that the current program mapper is continually updated.

12) **Area Outreach:** Dean’s Welcome Letter; Area tours; Area Meet and Greet events - Dean, faculty, staff.

### C. Persistence and Retention

1) **Summer Melt Mitigation:** Calling and Messaging to ensure students register for and enroll in the fall.

2) **Bridge to BC:** New faculty participation; area tours; auto-enroll participants into math and English bootcamp; outreach to re-
enrollment/disqualification students - customize groupings to fit student profiles.

3) **Summer Events:** Provide outreach/counseling/advising/registration/financial aid support at summer events on campus - Step Up to STEM, Summer Musical, etc.; Offer area-specific tours/welcome events; Summer School class visits - engage with students taking summer classes, ensure prep for Fall term.

4) **Student/Parent Orientation:** Develop/Implement full-day orientation for incoming students and parents; instruction and student services support; generate parent buy-in.

5) **Convocation:** Pledges - faculty, student, parent; new student pinning ceremony; pathways/student support services/financial aid involvement.

6) **Area Outreach:** Dean’s Welcome Letter; Area tours; Area Meet and Greet events - Dean, faculty, staff.

7) **New Faculty Onboarding:** Dean’s area onboarding sessions; New Faculty Seminar; Persistence Initiative Workgroups

8) **Student-Centered Scheduling:** develop schedule based on needs of specific student profiles (AM, Afternoon, PM/online); align with updated pathway maps; ensure completion is possible in two years; ensure schedule productivity

9) **Persistence Pilot Project - First Year Student Focus:** Progress reports for all; scheduled messaging; no-drop policy; persistence strategy resources

10) **Humanized Digital Resources:** Program and pathway websites; language of digital messages to students

11) **Guided Pathway Focus:** pathway-specific Canvas messaging; Class updates about pathways; Social media and text messaging outreach by pathway; Milestone check-ins with students - ed plans, updates, registration, petitions.

12) **Calling/Text Messaging Campaigns:** Non-returners; did not meet milestones; no ed plan on file; dropped prior to start of term/first week of term; under-enrolled.

13) **Student Feedback Surveys:** students who received Starfish progress report due to low performance - support needs.

14) **Updated Counseling/Advising Templates:** Based on updated pathway maps; for use in SID and in-person appointments; informed plan conversations
15) **Canvas Hub of Student Supports:** Categorical programs; Office of Student Life resources; Writing/Math Center; Tutoring; Habits of Mind resources; video resources.

16) **Graduation Increase Initiative:** strategic review of student records - grad check review based on units completed; individual student outreach/follow-up to finalizing needed registration, commencement RSVP, etc.

17) **Finish in Four Agreements:** Updated MOU/agreements with CSUB; program maps; recommended ed plans

18) **Reg365:** Explore full-year registration system

19) **CRM Recruit:** customize to use for persistence messaging/support; develop/implement persistence outreach campaigns

20) **Increase OER course offerings:** provide training/support for faculty interested in using OER; expand number of courses utilizing OER; Library faculty to provide support with OER project; increase number of sections offered as EOR classes each term
6) Transfer to a 4-Year University: 
Increase 10% from 2020-2021 baseline of 799 to 879 in 2021-2022; and, additional 2% (896) in 2022-2023

G. Degree Completion with Transfer Focus

1) Institutionalize Graduation Increase Initiative: Intrusive outreach and support for completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for all students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.

2) Progress Benchmark: Track student progress to acknowledge and encourage completion of momentum points, on track for transfer, degree completion.

3) Reporting Automation: Develop automated reports for benchmark tracking, calling campaigns, and targeted student support (Cognos and Starfish reports).

4) Degree and Certificate Awarding Automation: Develop automated process for awarding degrees and certificates; utilize broader team for award verification (A&R, Counseling, CTE); significantly reduce time to award notification.

5) Transfer Milestones and Process Automation: Develop schedule of student notifications regarding transfer milestones and processes; automate distribution of these messages according to identified timeline; utilize Canvas as part of outreach structure; include financial aid updates related to transfer students/processes.

6) Outreach: develop outreach material regarding degrees, certificates, transfer options at BC targeting middle/jr high and high school students; collaborate with local schools to interact with students and families; develop transfer-specific workshops and activities for high school students; highlight transfer options and processes; build awareness regarding increased lifeline earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support; attend UC transfer conference with high school partner counselors; leverage and hire high school counselors as professional experts during summer to support outreach and transfer prep processes.

7) Transfer Evaluation: Connect with CSUB to have a transfer specialist assigned to BC transfer work; encourage a 30-day turnaround for admission.

8) Finish in 4: Collaborate with CSUB to refine and re-emphasize Finish in 4 pathways; update pathway maps/agreements; update marketing materials, counseling/advising scripts; add to GPS course resources to be shared by pathway faculty to all students.
|   | 9) Default and Standardized Ed Plan: Explore development of default, standardized education plans with ADT focus; work closely with chairs, area faculty, counseling/advising, deans for input; identify recommend course lists within areas where students have multiple options (i.e. gen ed areas); ensure students are aware of multiple options when available; develop resources to help students better understand gen ed options and connection to their overarching academic, employment and personal goals/interests. |
|   | 10) Starfish Flags, Reports, and Follow-Ups: Clarify Starfish flags and reports available to support transfer and completion progress; add/refine GPS Canvas messaging to highlight milestones and progress report processes regarding transfer/completion; train faculty and staff to support transfer/completion coaching. |
|   | 11) Pathway Completion Coaching Teams: Refine Pathway Completion Teams to support targeted completion and transfer messaging and milestones; expand GPS bi-weekly meeting invitations to include deans and student services team members to build institutional capacity in transfer/completion support. |
|   | 12) Financial Aid Exit Interviews: Establish financial aid exit interviews for transferring students (loan balances, resources, financial literacy - % of resources left). |
|   | 13) Two-Year Transfer Timeline: Implement transfer timeline for ADT students - 30+ units, sophomore year, BC grad application, FAFSA, CSU/UC application. |
|   | 14) Transfer Awareness Campaigns: Implement series of awareness workshops for various audiences focusing on the transfer process (Jr High/Middle School, High School, Bridge to BC). |
|   | 15) Transfer Prep Academy: Develop transfer prep academy for BC students intending to transfer and their families; provide intrusive supports throughout two-year process to ensure participants are well informed and meet all required milestones and deadlines; build community of practice regarding transfer amongst Transfer Leadership Team, Faculty, EAC, SALT; improve transfer and completion rates and student satisfaction with support provided toward transfer/completion goals. |
|   | 16) Transfer in Triumph Initiative: Build capacity of all BC counselors and advisors to support transfer; BC to CSUB transfer notifications on April 1st; BC/CSUB Starfish shared access/usage; |
shared reports; community tour; in-depth transfer training for all BC counselors and advisors.

7) Nine or More CTE Units: Increase 10% from 2021-2022 baseline of 3,867 to 4,254 in 2022-2023; and, additional 2% (4,339) in 2023-2024

A. New Student Outreach / Yield
   1) Career Awareness & Planning: Implement career awareness and planning to help students prepare for their BC matriculation steps.
   2) Comprehensive Student Education Plan: Develop CSEPs beginning at 9th grade level to ensure that dual and concurrent enrolled courses are included, providing a clear path for student completion.
   3) Schedule of Classes: Open schedule of classes earlier for students to select and plan their courses for express enrollments each term.
   4) Annual Update Form: All terms will be included on update form to allow students to enroll for the year.
   5) Express Enrollments/Priority Registration Day/Click Registration: Increase number of express enrollment offerings at high schools and BC campus locations; all hands on deck for high school priority registration day; develop an iClick registration app specifically for BC for student ease of use.
   6) Program Mapper Enhancement: Courses offered to meet student’s availability and course of study requirements; ensure that the current program mapper is continually updated.

B. Persistence and Retention
   1) Summer Melt Mitigation: Calling and Messaging to ensure students register for and enroll in the fall.
   2) Bridge to BC: New faculty participation; area tours; auto-enroll participants into math and English bootcamp; outreach to re-enrollment/disqualification students - customize groupings to fit student profiles.
   3) Summer Events: Provide outreach/counseling/advising/registration/financial aid support at summer events on campus - Step Up to STEM, Summer Musical, etc.; Offer area-specific tours/welcome events; Summer School class visits - engage with students taking summer classes, ensure prep for Fall term.
   4) Student/Parent Orientation: Develop/Implement full-day orientation for incoming students and parents; instruction and student services support; generate parent buy-in.
| 5) **Convocation:** | Pledges - faculty, student, parent; new student pinning ceremony; pathways/student support services/financial aid involvement. |
| 6) **Area Outreach:** | Dean’s Welcome Letter; Area tours; Area Meet and Greet events - Dean, faculty, staff. |
| 7) **New Faculty Onboarding:** | Dean’s area onboarding sessions; New Faculty Seminar; Persistence Initiative Workgroups |
| 8) **Student-Centered Scheduling:** | develop schedule based on needs of specific student profiles (AM, Afternoon, PM/online); align with updated pathway maps; ensure completion is possible in two years; ensure schedule productivity |
| 9) **Persistence Pilot Project - First Year Student Focus:** | Progress reports for all; scheduled messaging; no-drop policy; persistence strategy resources |
| 10) **Humanized Digital Resources:** | Program and pathway websites; language of digital messages to students |
| 11) **Guided Pathway Focus:** | pathway-specific Canvas messaging; Class updates about pathways; Social media and text messaging outreach by pathway; Milestone check-ins with students - ed plans, updates, registration, petitions. |
| 12) **Updated Counseling/Advising Templates:** | Based on updated pathway maps; for use in SID and in-person appointments; informed plan conversations |
| 13) **CTE Courses:** | increase number of students completing 9 CTE units in a year; CTE unit tracker; review/update CTE program maps; refine/update CTE certificate curriculum; develop additional CTE courses/certificates that reflect labor market demands |

8) **Regional Living Wage:** Increase 10% from 2020-2021 baseline of 4,893 to 5,382 in 2021-2022; and, additional 2% (5,490) in 2022-2023

### C. Persistence and Retention

1) **Student Employment/Work-based Learning:** Expand WBL opportunities for students across pathways; student employment fairs - in person and online

2) **CTE Courses:** increase number of students completing 9 CTE units in a year; CTE unit tracker; review/update CTE program maps; refine/update CTE certificate curriculum; develop additional CTE courses/certificates that reflect labor market demands
