| **Regular (FTES):** Increase 12% from 2021-2022 baseline of 13,817 FTES to 15,475 FTES in 2022-2023; and, additional 2% (15,785) in 2023-2024 | 1) *Early Awareness:* Presentations to local Middle School/Jr. High Students; offer field trips to BC campuses; conduct awareness presentations to parents; offer NC courses to parents.  
2) *High School Outreach:* Work with KHSD CTEC/ROC programs that already have students interested in Fire Technology, Emergency Medical, and Law Enforcement careers. Work with partner agencies to coordinate visits for “show and tell” type of events. Also use this as an avenue to introduce Financial Aid.  
3) *Kern County College Night:* Represent at Kern County College Night.  
4) *Kern Economic Development STEMposium, STEM, and MESA Student Organizations:* Encourage engagement and support for student transition to BC STEM majors.  
6) *Career Awareness & Planning:* Implement career awareness and planning to help students prepare for their BC matriculation steps. Ensure that students are working with educational advisors to map out an education plan. A pathway to a degree instead of a certificate.  
7) *Comprehensive Student Education Plan:* Develop CSEPs beginning at 9th-graderade level to ensure that dual and concurrent enrolled courses are included, providing a clear path for student completion. Impress upon the students the value of obtaining a degree as opposed to a certificate.  
8) *Schedule of Classes:* Open the schedule of classes earlier for students to select and plan their courses for express enrollments each term.  
9) *Annual Update Form:* Work with FCDC and the Faculty Chair of Public Safety Training to enable BC to develop a schedule one year in advance, to allow students to enroll for the year.  
10) *Express Enrollments/Priority Registration Day 2/One-Click Registration:* Coordinate with counseling and education advisers to get students enrolled beyond the first semester to keep them on their education plan. |                                |
| **CDCP (FTES):** Increase 5% from 2021-2022 baseline of 36 to 37 in 2022-2023; and, additional 2% (38) in 2023-2024 |                                |                                |
| **Non-Credit (FTES):** Increase 5% from 2021-2022 baseline of 46 to 48 in 2022-2023; and, additional 2% (49) in 2023-2024 |                                |                                |
11) **Program Mapper Enhancement**: Courses offered to meet student’s availability and course of study requirements; ensure that the current program mapper is continually updated.

12) **Outreach**: Increase new freshman numbers by 12% during 2022-2023 and another 2% in 2023-2024. Explore outreach to night school students working to complete their GED.

**Special Admit (FTES):**
Increase 5% from 2021-2022 baseline of 2,313 to 2,429 in 2022-2023; and, additional 2% (2,478) in 2023-2024

---

**B. Dual Enrollment / Early College**

1) **Refine dualenroll.com**: Improve student facing to clarify the area of student application; fix requirement of entering social security on CCCApply causing students not to be enrolled on dual enroll; non-resident completion of SB150 fee waiver to avoid out-of-state fees; update form to include all terms for annual enrollment.

2) **Scale dual enrollment faculty mentorship program**: Scale up faculty mentors for each discipline instead of one per department to build the capacity, build rigor in instruction, facilitate open communication, and how to access support services (i.e. Writing Center, Library, Tutoring, Student Support Programs, etc.)

3) **Review programs of study for pathway high schools**: Formalized structure, cross-collaboration in curriculum development to ensure alignment; assign math instructors with over a 1.0 load and continue to scale up offerings; area F will need more faculty.

4) **New Early College Programs**: Continue to grow Early College course offerings at high school locations. Explore the possibility of expanding offerings at the CTEC/ROC locations. Possibility of adding a Wildland Firefighter certificate program at Tehachapi High School.

5) **Pathway Mapper Review**: Embed early college offerings into the pathway maps; update maps in collaborative efforts between EAC and SALT.

6) **Increase use of OER classes**: select courses and instructors that are using OER to mitigate the cost of textbooks for dual enrollment / early college students; increase awareness of OER offerings; ensure OER sections are clearly labeled.
SCFF Category: FTES
Regular (FTES): Increase 12% from 2021-2022 baseline of 13,817 to 15,475 in 2022-2023; and, additional 2% (15,785) in 2023-2024

CDCP (FTES): Increase 5% from 2021-2022 baseline of 36 to 37 in 2022-2023; and, additional 2% (38) in 2023-2024

Non-Credit (FTES): Increase 5% from 2021-2022 baseline of 46 to 48 in 2022-2023; and, additional 2% (49) in 2023-2024

C. Persistence and Retention

1) Summer Melt Mitigation: Calling and Messaging to ensure students register for and enroll in the fall.
2) Bridge to BC: New faculty participation; area tours; auto-enroll participants into math and English bootcamp; outreach to re-enrollment/disqualification students - customize groupings to fit student profiles.
3) Summer Events: Provide outreach/counseling/advising/registration/financial aid support at summer events on campus - Step Up to STEM, Summer Musical, etc.; Offer area-specific tours/welcome events; Summer School class visits - engage with students taking summer classes, ensure prep for Fall term. Host students at Weill to show off all the “tools” we have for a dynamic learning environment leading to student success. Potentially even create an EMR Academy.
4) Student/Parent Orientation: Develop/Implement full-day orientation for incoming students and parents; instruction and student services support; generate parent buy-in.
5) Convocation: Pledges - faculty, student, parent; new student pinning ceremony; pathways/student support services/financial aid involvement.
6) Area Outreach: Dean’s Welcome Letter; Area tours; Area Meet and Greet events - Dean, faculty, staff. Implement and use Peer Mentors for further engagement.
7) New Faculty Onboarding: Dean’s area onboarding sessions; New Faculty Seminar; Persistence Initiative Workgroups
8) Student-Centered Scheduling: develop a schedule based on needs of specific student profiles (AM, Afternoon, PM/online); align with updated pathway maps; ensure completion is possible in two years; ensure schedule productivity
9) Persistence Pilot Project - First Year Student Focus: Progress reports for all; scheduled messaging; no-drop policy; persistence strategy resources
10) Humanized Digital Resources: Program and pathway websites; the language of digital messages to students
11) Guided Pathway Focus: pathway-specific Canvas messaging; Class updates about pathways; social media and text messaging outreach by pathway; Milestone check-ins with students - ed plans, updates, registration, petitions.
12) Financial Aid Support: Regular messaging; classroom presentations; support provided in person in pathway areas on scheduled days; competitions/incentives for completing FAFSA/Financial Aid file; FAFSA/CADA workshops; Financial Aid scripts to be used in counseling/advising/SID; Financial Aid fairs; Financial Aid Canvas course for all students.
13) Calling/Text Messaging Campaigns: Non-returners; did not meet milestones; no ed plan on file; dropped before the start of term/first week of term; under-enrolled.
14) Student Feedback Surveys: students who received Starfish progress reports
**SCFF Category: FTES**

### D. Re-enrollment

1. **Student Re-Engagement Center:** The center’s goal is to re-enroll students; designated employees following a communication calendar of campaigns; secure a location to house the team; establish leadership, calendar, and processes. *We have many students that never complete their education after getting hired in their field of study. Re-engage them and encourage them to complete their degrees.*

2. **Develop Communication Plan:** Develop SID calling campaign timelines; create and update the calling/messaging scripts for each campaign; establish a timeline for Pathway Completion Teams to engage in specific campaigns including financial aid timelines; offer flex week workshops to introduce efforts.

3. **Strategic Communications:** Deploy Motimatic for intentional and targeted re-engagement of stopped-out students using social media outlets.

4. **Student Survey Input:** Deploy a survey to gather information on reasons why students stopped out.

5. **Bridge to BC:** Direct re-enrollment to Bridge to BC for onboarding and to ensure they get reintroduced to campus resources.

6. **Improve Focus on Customer Service:** Ensure the student account screen in Banner is welcoming and does not scare students, often resulting in students dropping classes; refine student messaging in the Banner billing statement.

7. **Develop a Peer Mentoring Program:** Peer mentors by pathway to assist with engagement and persistence campaigns; focus on critical groups and milestone achievement; explore a partnership with Mentor Collective.

8. **Cognos Reports:** Develop a stopped out report by area; stopped out for 1 or 2 semesters, 1 year, and 2 years.

9. **Interact Marketing Tool:** Explore this marketing tool to boost certificate completion.

### E. Rising Scholars Program

1. **Increase Service Areas:** Reach out to leadership in local jails, juvenile facilities, formerly incarcerated/justice-involved, and Kern County probation to increase cohort size, a number of classes offered and, offer more short-term/non-credit classes. Reach out to colleges with successful on-campus programs for formerly incarcerated; assign faculty lead to work directly justice-involved students on campus.
2) **Canvas Shell:** Instructor training on Canvas protocols, limitations, and possibilities; CCCCO Rising Scholars Program training.

3) **Student Support Programs:** Explore assigning a writing center consultant inside the prisons as embedded support; access to BC DSPS services; access to math center and tutoring support; establish a peer-tutoring model inside.

4) **Student Interest Survey:** Develop and administer a student interest survey before the registration deadline; use responses to offer classes; explore culinary and criminal justice.

5) **CSU General Education Certificate:** Work with students’ schedules to ensure that the gen ed certificate requirements are being met.

6) **Mobile labs/classrooms:** Work directly with prison wardens to explore the possibility of adding mobile labs/classrooms to increase classroom availability inside.

7) **Hire Additional FT & Adjunct Faculty:** Create RSP specific adjunct hiring pool for all departments teaching inside the prison.

8) **Strategic Faculty Assignment:** Assign RSP classes first before assigning on-campus sections to designated instructors.

9) **Targeted Workshops:** Offer flex workshops to current and prospective RSP instructors, evaluation committee members, and possible supporters. Presenters will include the RSP team, faculty, and former students.

10) **Intra-college faculty sharing:** PC could support BC offerings in Corcoran and other remote locations.

11) **Recapture FTES:** Identify and add similar courses offered by Coastline and Feather River programs in our RSP facilities to recapture our FTES.

12) **Increase Dialogue with Stakeholders:** Increase site visits and conversations between local jail/sheriff wardens and the BC executive team to explore new programs, facilities, and opportunities.

13) **CSUB Alignment:** Develop BA/BS and MA/MS pipelines from the ADTs we offer in RSP locations.

14) **GED Program Students:** Develop a relationship with GED program staff to build onramp to BC RSP program upon completion of GED.

15) **Second Chance Pell:** Develop an awareness campaign around 2nd chance Pell eligibility for students.

16) **Future Employment Opportunities:** Establish Wildland Firefighter Training for RSP students to serve on summer crews; support the development of wildland firefighter skills for future employment opportunities.

17) **Priority Registration:** Provide 2nd-day priority registration to formerly incarcerated students who participated in RSP program before enrolling on campus.
18) **Campus Engagement:** Expand communication between RSP students and BC departments (A&R, Financial Aid, DSPS, etc.)

19) **Project Hire Up:** Apply for participation in CCCCO pilot program, prompted by AG 2425, to provide stipend support to formerly incarcerated students in the Rising Scholars Network to attend college (former foster youth and CalWORKs students also qualify).

**F. Baccalaureate Programs**

1) **Research Laboratory Technology Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input

2) **Police Science Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input.

3) **Baccalaureate Program Proposal Development** - identify viable programs to propose; establish industry advisory committees; prepare proposals; route for internal/external stakeholder feedback; build a repository

4) **CTEC Student Pipeline** - partnership with CTEC; align CTEC/BC/CSUB programs of study; develop curriculum; facility sharing. *This will be an important piece to creating a recruitment pipeline for the Police Science degree and to employment with local agencies.*

5) **Financial Aid Awareness Campaign** - BC baccalaureate program completion benefits awareness campaign, middle-class scholarships

6) **Career Days** - host at industry locations; highlight pathway from a baccalaureate degree to employment. *Focus on hands on type of opportunities at CTEC and ROC locations.*

**SCFF Category: FTES**

**Regular (FTES):** Increase 12% from 2021-2022 baseline of 13,817 to 15,475 in 2022-2023; and, additional 2% (15,785) in 2023-2024

**CDCP (FTES):** Increase 5% from 2021-2022 baseline of 36 to 37 in 2022-2023; and, additional 2% (38) in 2023-2024

**G. Degree Completion with Transfer Focus**

1) **Institutionalize Graduation Increase Initiative:** Intrusive outreach and support for completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for all students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.

2) **Progress Benchmark:** Track student progress to acknowledge and encourage completion of momentum points, on track for transfer, and degree completion.

3) **Reporting Automation:** Develop automated reports for benchmark tracking, calling campaigns, and targeted student support (Cognos and Starfish reports).

<tr>
<td><strong>20) Targeted Advertising:</strong></td>
<td>Personalized advertising that address strategies for persistence, variety of student voices/experiences; message via internal and external platforms. <em>Use “voices” of firefighters and police officers to emphasize the importance of degree completion.</em></td>
</tr>
</tbody>
</table>
D. Re-enrollment

1) **Student Re-Engagement Center:** An AB540 advisor will serve virtually with the Re-Engagement Center team.
2) **Develop Communication Plan:** AB540, Pell, and CCPG will be included in the SID calling campaign messaging scripts; offer flex week workshops for faculty engagement and awareness efforts to increase headcount for each supplemental program.
3) **Strategic Communications:** Utilize Motimatic for intentional and targeted re-engagement of stopped-out AB540 students and non-financial aid application completers using social media outlets.
4) **Student Survey Input:** Deploy a survey to gather information on reasons why AB540 students stopped out.
5) **Bridge to BC:** Direct re-enrollment to Bridge to BC for onboarding and to ensure they get reintroduced to campus resources; AB540 and financial aid will continue to be part of the messaging.
6) **Develop a Peer Mentoring Program:** Peer mentors by pathway to assist with engagement and persistence campaigns; focus on critical groups and milestone achievement; explore partnership with Mentor Collective.
7) **Cognos Reports:** Develop a stopped out report by area and affinity groups (AB540); stopped out for 1 or 2 semesters, 1 year, and 2 years; ensure that Cognos reports include information on the completion of a financial aid application.

E. Rising Scholars Program

1) **Student Support Programs:** Explore assigning a writing center consultant inside the prisons as embedded support; provide access to AB540 services; access to math center and tutoring support; establish a peer-tutoring model inside.
2) **Student Interest Survey:** Develop and administer a student interest survey prior to spring registration deadline; use responses to offer classes; explore culinary and criminal justice; AB540 team will review survey results and follow up with eligible students.
3) **Hire Additional FT & Adjunct Faculty:** Create RSP specific adjunct hiring pool for all departments teaching inside the prison; provide awareness about AB540 services and financial aid applications to RSP students.
4) **Second Chance Pell:** Develop awareness campaign around 2nd chance Pell eligibility for eligible AB540 students; CADAA for California residents.
F. Baccalaureate Programs
1) Financial Aid Awareness Campaign - BC baccalaureate program completion benefits awareness campaign; middle class scholarships; CADAA and FAFSA application workshops and completion monitoring.
2) Targeted Recruitment - Increase AB540 participation and support completion for Baccalaureate Programs.

G. Degree Completion with Transfer Focus
1) Institutionalize Graduation Increase Initiative: Intrusive outreach and support for AB540 students’ completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for AB540 students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.
2) Progress Benchmark: Track AB540 student progress to acknowledge and encourage completion of momentum points, on track for transfer, degree completion.
3) Outreach: Collaborate with local schools to interact with AB540 students and families; develop transfer-specific workshops and activities for high school students; highlight transfer options and processes; build awareness regarding increased lifeline earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support for AB540 students.
4) Financial Aid Exit Interviews: Establish financial aid exit interviews for transferring students (loan balances, resources, financial literacy - % of resources left).

H. Diversified Hiring
1) BC Alumni Outreach - develop multiple on-ramps to employment at BC for alumni; utilize social media; collaborate with BC Foundation; develop alumni-turned-employee spotlights; clarify the path for becoming a BC employee (minimum qualifications, position descriptions, prep workshops available).
2) Faculty Recruitment Partnerships - CSUB, UC Merced, Kelly Services, Teach for America, other recruitment partnerships; build pipeline for areas of greatest need.
3) **Recruitment Postings/Website Redesign** - highlight benefits of college and community; feature welcoming language/images; increase ease of site navigation.

### Bakersfield College SCFF (2-Year Target)

#### SCFF Category: Student Success

1. **Associates for Transfer:** Increase 10% from 2021-2022 baseline of 2,161 to 2,377 in 2022-2023; and, additional 2% (2,425) in 2023-2024

2. **Associates:** Increase 10% from 2021-2022 baseline of 1,190 to 1,309 in 2022-2023; and, additional 2% (1,335) in 2023-2024

3. **Certificates:** Increase 10% from 2021-2022 baseline of 493 to 542 in 2022-2023; and, additional 2% (553) in 2023-2024

### Work Plan & Tactics

A. **New Student Outreach / Yield**

1. **High School Outreach:** Conduct matriculation workshop series at local high schools – CCCApply, CSEP, Financial Aid application, registration; offer workshops and cross-training opportunities to high school counselors on BC matriculation, registration, and building students’ pathway mapper; present during high school staff and community committee meetings.

2. **Kern County College Night:** Increase the BC presence in KCCN highlighting degree/certificate pathways available; offer workshops on CCCApply, program mapper, CSEP, student success support, and financial aid.

3. **Kern Economic Development STEMsposium, STEM, and MESA Student Organizations:** Encourage engagement and support for...
student transition to BC STEM majors; provide connection to STEM tutoring, mentorship, cohort experience.

4) **KHSD Health & Energy Academy:** Engage students involved in KHSD Health and Energy Academies.

5) **Career Awareness & Planning:** Implement career awareness and planning to help students obtain customized CSEP and related work-based learning experiences.

6) **Comprehensive Student Education Plan:** Develop CSEPs beginning at 9th grade level to ensure that dual and concurrent enrolled courses are included, providing a clear path for student completion of degree/certificate.

7) **Schedule of Classes:** Open schedule of classes earlier for students to select and plan their courses for express enrollments each term, in alignment with pathway-informed CSEP.

8) **Annual Update Form:** All terms will be included on update form to allow students to enroll for the year, ensuring maximum opportunity to complete their program of study.

9) **Express Enrollments/Priority Registration, Day 2/One-Click Registration:** Coordinate with counseling and education advisers to get students enrolled beyond the first semester to keep them on their education plan.

10) **Program Mapper Enhancement:** Courses offered to meet student’s availability and program of study requirements; ensure that the current program mapper is continually updated.

### B. Dual Enrollment / Early College

1) **Refine dualenroll.com:** Improve student facing to clarify the area of student application; fix requirement of entering a social security on CCCApply causing students not to be enrolled on dual enroll; non-resident completion of SB150 fee waiver to avoid out of state fees; update form to include all terms for annual enrollment; align registration options to CSEP, Pathway Mapper.

2) **Scale dual enrollment faculty mentorship program:** Scale up faculty mentors for each discipline instead of one per department to build the capacity, build rigor in instruction, facilitate open communication, and how to access support services (i.e. Writing Center, Library, Tutoring, Student Support Programs, etc.)

3) **Review programs of study for pathway high schools:** Formalized structure, cross collaboration in curriculum development to ensure
alignment; assign math instructors with over a 1.0 load and continue to scale up offerings so students can complete degree/certificate; area F will need more faculty.

4) **New Early College Programs:** Explore the possibility of expanding offerings at the CTEC/ROC locations. Possibility of adding a Wildland Firefighter certificate program at Tehachapi High School.

5) **Pathway Mapper Review:** Embed early college offerings into the pathway maps; update maps in collaborative efforts between EAC and SALT.

6) **Increase use of OER classes:** select courses and instructors that are using OER to mitigate cost of textbooks for dual enrollment / early college students; increase awareness of OER offerings; ensure OER sections are clearly labeled

C. **Persistence and Retention**

1) **Summer Melt Mitigation:** Calling and Messaging to ensure students register for and enroll in the fall.

2) **Bridge to BC:** New faculty participation; area tours; auto-enroll participants into math and English bootcamp; outreach to re-enrollment/disqualification students - customize groupings to fit student profiles.; clarify path to completing degree/certificate.

3) **Summer Events:** Provide outreach/counseling/advising/registration/financial aid support at summer events on campus - Step Up to STEM, Summer Musical, etc.; Offer area-specific tours/welcome events; Summer School class visits - engage with students taking summer classes, ensure prep for Fall term. *Host students at Weill to show off all the “tools” we have for a dynamic learning environment leading to student success. Potentially hold an EMR Academy.*

4) **Student/Parent Orientation:** Develop/Implement full-day orientation for incoming students and parents; instruction and student services support; generate parent buy-in; highlight program mapper and CSEP.

5) **Convocation:** Pledges - faculty, student, parent; new student pinning ceremony; pathways/student support services/financial aid involvement.

6) **Area Outreach:** Dean’s Welcome Letter; Area tours; Area Meet and Greet events - Dean, faculty, staff. *Implement and use Peer Mentors for further engagement.*

25) **Progress Reporting:** Progress reports for all students in Starfish; Weeks 2, 5, 8, 12; designated supports for progress report categories

26) **CDCP Courses/Certificates:** Develop additional CDCP courses/certificates/stackable certificates; increase enrollment in CDCP classes; expand partnerships for CDCP programs

27) **CTE Courses:** increase number of students completing 9 CTE units in a year; CTE unit tracker; review/update CTE program maps; refine/update CTE certificate curriculum; develop additional CTE courses/certificates that reflect labor market demands.

28) **Targeted Advertising:** create advertising addressing strategies for persistence, variety of student voices/experiences; message via internal and external platforms. *Use the “voices” of firefighters and police officers to communicate the importance of degree completion.*

29) **Increase OER course offerings:** provide training/support for faculty interested in using OER; expand number of courses utilizing OER; Library faculty to provide support with OER project; increase number of sections offered as EOR classes each term

D. **Re-enrollment**

1) **Student Re-Engagement Center:** The center’s goal is to re-enroll students; designated employees following communication calendar of campaigns; secure location to house the team; establish leadership, calendar, and processes. *We have many...*
students that never complete their education after getting hired in their field of study. Re-engage them and encourage them to complete their degrees.

2) **Develop Communication Plan:** Develop SID calling campaign timelines; create and update the calling/messaging scripts for each campaign; establish timeline for Pathway Completion Teams to engage in specific campaigns - including financial aid timelines; offer flex week workshops to introduce efforts.

3) **Strategic Communications:** Deploy Motimatic for intentional and targeted re-engagement of stopped-out students using social media outlets.

4) **Student Survey Input:** Deploy a survey to gather information on reasons why students stopped out.

5) **Bridge to BC:** Direct re-enrollment to Bridge to BC for onboarding and to ensure they get reintroduced to campus resources.

6) **Improve Focus on Customer Service:** Ensure student account screen in Banner is welcoming and does not scare students, often resulting in students dropping classes; refine student messaging in the Banner billing statement.

7) **Develop a Peer Mentoring Program:** Peer mentors by pathway to assist with engagement and persistence campaigns; focus on critical groups and milestone achievement; explore partnership with Mentor Collective.

8) **Cognos Reports:** Develop a stopped out report by area; stopped out for 1 or 2 semesters, 1 year, and 2 years.

9) **Interact Marketing Tool:** Explore this marketing tool to boost certificate completion.

### E. Rising Scholars Program

1) **Increase Service Areas:** Reach out to leadership in local jails, juvenile facilities, formerly incarcerated/justice involved, and Kern County probation to increase cohort size, number of classes offered, offer more short-term/non-credit classes. Reach out to colleges with successful on-campus programs for formerly incarcerated; assign faculty lead to work directly with justice involved students on campus.

2) **Canvas Shell:** Instructor training on Canvas protocols, limitations, possibilities; CCCCO Rising Scholars Program training.
3) **Student Support Programs:** Explore assigning a writing center consultant inside the prisons as embedded support; access to BC DSPS services; access to math center and tutoring support; establish a peer-tutoring model inside.

4) **Student Interest Survey:** Develop and administer a student interest survey prior to spring registration deadline; use responses to offer classes; explore culinary and criminal justice.

5) **CSU General Education Certificate:** Work with students’ schedules to ensure that the gen ed certificate requirements are being met.

6) **Mobile labs/classrooms:** Work directly with prison wardens to explore possibility of adding mobile labs/classrooms to increase classroom availability inside.

7) **Hire Additional FT & Adjunct Faculty:** Create RSP specific adjunct hiring pool for all departments teaching inside the prison.

8) **Strategic Faculty Assignment:** Assign RSP classes first before assigning on-campus sections to designated instructors.

9) **Targeted Workshops:** Offer flex workshops to current and prospective RSP instructors, evaluation committee members, and possible supporters. Presenters will include the RSP team, faculty, and former students.

10) **Intra-college faculty sharing:** PC could support BC offerings Corcoran and other remote locations.

11) **Recapture FTES:** Identify and add similar courses offered by Coastline and Feather River programs in our RSP facilities to recapture our FTES.

12) **Increase Dialogue with Stakeholders:** Increase site visits and conversations between local jail/sheriff wardens and BC executive team to explore new programs, facilities, and opportunities.

13) **CSUB Alignment:** Develop BA/BS and MA/MS pipelines from the ADTs we offer in RSP locations.

14) **GED Program Students:** Develop relationship with GED program staff to build onramp to BC RSP program upon completion of GED.

15) **Second Chance Pell:** Develop awareness campaign around 2nd chance Pell eligibility for students.

16) **Future Employment Opportunities:** Establish Wildland Firefighter Training for RSP students to serve on summer crews; support development of wildland firefighter skills for future employment opportunities.
17) **Priority Registration:** Provide 2nd day priority registration to formerly incarcerated students who participated in RSP program prior to enrolling on campus.

18) **Campus Engagement:** Expand communication between RSP students and BC departments (A&R, Financial Aid, DSPS, etc.)

19) **Project Hire Up:** Apply for participation in CCCCCO pilot program, prompted by AG 2425, to provide stipend support to formerly incarcerated students in the Rising Scholars Network to attend college (former foster youth and CalWORKs students also qualify).

### G. Degree Completion with Transfer Focus

1) **Institutionalize Graduation Increase Initiative:** Intrusive outreach and support for completion of degrees and certificates (i.e. Baccalaureate, ADT, AA/AS, Certificates, Non-Credit); grad check to be completed for all students nearing completion; auto awarding of stackable degrees; graduation increase initiative prioritized by SCFF points.

2) **Progress Benchmark:** Track student progress to acknowledge and encourage completion of momentum points, on track for transfer, degree completion.

3) **Reporting Automation:** Develop automated reports for benchmark tracking, calling campaigns, and targeted student support (Cognos and Starfish reports).

4) **Degree and Certificate Awarding Automation:** Develop automated process for awarding degrees and certificates; utilize broader team for award verification (A&R, Counseling, CTE); significantly reduce time to award notification.

5) **Transfer Milestones and Process Automation:** Develop schedule of student notifications regarding transfer milestones and processes; automate distribution of these messages according to identified timeline; utilize Canvas as part of outreach structure; include financial aid updates related to transfer students/processes.

6) **Outreach:** develop outreach material regarding degrees, certificates, transfer options at BC targeting middle/jr high and high school students; collaborate with local schools to interact with students and families; develop transfer-specific workshops and activities for high school students; highlight transfer options and processes; build awareness regarding increased lifeline earnings with a baccalaureate degree; partner with high school counselors to focus on transfer awareness and support; attend UC transfer conference with high school partner counselors; leverage and hire high school counselors as professional experts during summer to support outreach and transfer prep processes.
counselors to focus on transfer awareness and support; attend UC transfer conference with high school partner counselors; leverage and hire high school counselors as professional experts during summer to support outreach and transfer prep processes.

7) **Transfer Evaluation:** Connect with CSUB to have a transfer specialist assigned to BC transfer work; encourage a 30-day turnaround for admission.

8) **Finish in 4:** Collaborate with CSUB to refine and re-emphasize Finish in 4 pathways; update pathway maps/agreements; update marketing materials, counseling/advising scripts; add to GPS course resources to be shared by pathway faculty to all students.

9) **Default and Standardized Ed Plan:** Explore development of default, standardized education plans with ADT focus; work closely with chairs, area faculty, counseling/advising, deans for input; identify recommend course lists within areas where students have multiple options (i.e. gen ed areas); ensure students are aware of multiple options when available; develop resources to help students better understand gen ed options and connection to their overarching academic, employment and personal goals/interests.

10) **Starfish Flags, Reports, and Follow-Ups:** Clarify Starfish flags and reports available to support transfer and completion progress; add/refine GPS Canvas messaging to highlight milestones and progress report processes regarding transfer/completion; train faculty and staff to support transfer/completion coaching.

11) **Pathway Completion Coaching Teams:** Refine Pathway Completion Teams to support targeted completion and transfer messaging and milestones; expand GPS bi-weekly meeting invitations to include deans and student services team members to build institutional capacity in transfer/completion support.

12) **Financial Aid Exit Interviews:** Establish financial aid exit interviews for transferring students (loan balances, resources, financial literacy - % of resources left).

13) **Two-Year Transfer Timeline:** Implement transfer timeline for ADT students - 30+ units, sophomore year, BC grad application, FAFSA, CSU/UC application.

14) **Transfer Awareness Campaigns:** Implement series of awareness workshops for various audiences focusing on the transfer process (Jr High/Middle School, High School, Bridge to BC).
### 15) Transfer Prep Academy

Develop transfer prep academy for BC students intending to transfer and their families; provide intrusive supports throughout two-year process to ensure participants are well informed and meet all required milestones and deadlines; build community of practice regarding transfer amongst Transfer Leadership Team, Faculty, EAC, SALT; improve transfer and completion rates and student satisfaction with support provided toward transfer/completion goals.

### 16) Transfer in Triumph Initiative

Build capacity of all BC counselors and advisors to support transfer; BC to CSUB transfer notifications on April 1st; BC/CSUB Starfish shared access/usage; shared reports; community tour; in-depth transfer training for all BC counselors and advisors.

### F. Baccalaureate Programs

1. **Research Laboratory Technology Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input
2. **Police Science Baccalaureate Proposal** - refine and finalize submission; develop curriculum; ACCJC Substantive Change Request; industry input.
3. **Baccalaureate Program Proposal Development** - identify viable programs to propose; establish industry advisory committees; prepare proposals; route for internal/external stakeholder feedback; build repository
4. **CTEC Student Pipeline** - partnership w CTEC; align CTEC/BC/CSUB programs of study; develop curriculum; facility sharing. *This will be an important piece to creating a recruitment pipeline for the Police Science degree and to employment with local agencies.*
5. **Financial Aid Awareness Campaign** - BC baccalaureate program completion benefits awareness campaign; middle class scholarships
6. **Career Days** - host at industry locations; highlight pathway from baccalaureate degree to employment. *Focus on hands on type of opportunities at CTEC and ROC locations.*
5) Transfer Level Math & English: Increase 10% from 2021-2022 baseline of 581 to 639 in 2022-2023; and, additional 2% (652) in 2023-2024

A. New Student Outreach / Yield

1) Early Awareness: Presentations to local Middle School/Jr. High Students; offer field trips to BC campuses; conduct awareness presentations to parents; offer NC courses to parents; discuss

2) High School Outreach: Work with KHSD CTEC/ROC programs that already have students interested in Fire Technology, Emergency Medical, and Law Enforcement careers. Work with partner agencies to coordinate visits for “show and tell” type of events. Also use this as an avenue to introduce Financial Aid.

3) Career Awareness & Planning: Implement career awareness and planning to help students prepare for their BC matriculation steps.

4) Comprehensive Student Education Plan: Develop CSEPs beginning at 9th grade level to ensure that dual and concurrent enrolled courses are included, providing a clear path for student completion.

5) Schedule of Classes: Open schedule of classes earlier for students to select and plan their courses for express enrollments each term.

6) Annual Update Form: All terms will be included on update form to allow students to enroll for the year.

7) Express Enrollments/Priority Registration Day 2/iClick Registration: Coordinate with counseling and education advisers to get students enrolled beyond the first semester to keep them on their education plan.

8) Program Mapper Enhancement: Courses offered to meet student’s availability and course of study requirements; ensure that the current program mapper is continually updated.

9) Area Outreach: New Student and Returning Student Welcome Letter; Olive Drive, BPD, and Hall Ambulance tours. Coffee with a cop type of events. CTEC “show and tell.”

C. Persistence and Retention

1) Summer Melt Mitigation: Calling and Messaging to ensure students register for and enroll in the fall.

2) Bridge to BC: New faculty participation; area tours; auto-enroll participants into math and English bootcamp; outreach to re-enrollment/disqualification students - customize groupings to fit student profiles.

3) Summer Events: Provide outreach/counseling/advising/registration/financial aid support at summer events on campus - Step Up to STEM, Summer Musical
etc.; Offer area-specific tours/welcome events; Summer School class visits - engage with students taking summer classes, ensure prep for Fall term. *Host students at Weill to show off all the “tools” we have for a dynamic learning environment leading to student success. Potentially even create an EMR Academy.*

4) **Student/Parent Orientation:** Develop/Implement full-day orientation for incoming students and parents; instruction and student services support; generate parent buy-in.

5) **Convocation:** Pledges - faculty, student, parent; new student pinning ceremony; pathways/student support services/financial aid involvement.

6) **Area Outreach:** *New Student and Returning Student Welcome Letter; Olive Drive, BPD, and Hall Ambulance tours, Coffee with a cop type of events, CTEC “show and tell.”*

7) **New Faculty Onboarding:** Dean’s area onboarding sessions; New Faculty Seminar; Persistence Initiative Workgroups

8) **Student-Centered Scheduling:** develop schedule based on needs of specific student profiles (AM, Afternoon, PM/online); align with updated pathway maps; ensure completion is possible in two years; ensure schedule productivity

9) **Persistence Pilot Project - First Year Student Focus:** Progress reports for all; scheduled messaging; no-drop policy; persistence strategy resources
