0.5gx3 - Available at 8th Street and 22nd Street.

Nugz - Lemon Linx Full Spectrum

THC: 77.1% CBD: 0%

I wonder what Van Gogh would paint, or what Freddie Mercury would sing, if they had a Lemon Linx 510 Thread Vape Cart? The citrus pine-sol aroma and flavour is a jump start to your taste buds and the rest of your body soon follows suit. A literal beam of sunshine, that you can vape! We utilize a cryogenic extraction process that preserves the profile of the flower and offers one of the highest levels of purity by preferentially extracting the cannabinoids, terpenes, and flavonoids.

1g - Available at 8th Street, 22nd Street, and Prince Albert.

Spinach FEELZ - Blue Razz Durban THCV

THC: 70% THCV: 10% CBD: 0.6%

Turn the world on its head and see where you end up. We're going full force with Spinach Feelz™ Full Tilt Blue Razz Durban 7:1 THC|THCV vapes. Embrace a boosted and elevated high thanks to THC+THCV, where you get more of what you want out of THC with the addition of THCV. Feel the spark of a cannabis experience inspired by the Durban Poison strain with an added kick of delicious flavour notes of blue raspberry together for one epic moment after the next. Enjoy 700mg of THC and 100 mg of THCV per cart. Feelz. The Way You Want.

North 40 - El Gordo Traditional Hash

THC: 49.1% CBD: <0.01%

Created by hand in true artisan fashion, we then collect mature ripened trichome heads from our in-house grown high-grade flower. After being sifted meticulously to remove unwanted leaf material the beautiful golden resin heads are then kneaded and pressed to attain the "classic" hashish look and feel.

Once complete our hashish is set to rest and cure allowing the terpene profile to mature in complexity and nose. El Gordo hashish has a complex profile of citrus, mint, petrol, and wood.

See what the hype is about and try out our new El Gordo traditional hash today!

*1.9g - Available at 8th Street, 22nd Street,
and Prince Albert.*

Western Cannabis - Blueberry Lemonade

THC: 25.3-30.9% CBD: <0.01%

With a mixture of light green, dark green and various purples, the flowers of this lady are some of the most attractive you will find. Like all of the selections at Western she's no exception in the trichomes department either! The combination of multiple colors and added sheen from the crystal blanket is sure to get a second look from any cannabis connoisseur. Blueberry Lemonade is a very potent bud at average 25% THC levels and she packs a flavorful punch.

1g & 3.5g - Available at Prince Albert.

14g - Available at Elbow.

STAFF PICK

Tribal - Cuban Linx

Cuban Linx is a Hybrid strain of cannabis that tends to be Sativa leaning. With its refreshing lemony aroma and diverse terpene profile, this genetic is most appreciated when looking for a euphoric, stimulating

boost in creativity. The elevated THC levels offer a high that can be appreciated in both the body and the mind.

Select formats available at 8th Street, 22nd Street, and Prince Albert.
