Cultivator Highlight

"It's simple. We believe that growing cannabis isn't just a science, but also an art. We combine advanced agronomic principles and expert growing knowledge with passion and creativity. When agriculture meets a passion for growing, we create the unique craft varieties our customers deserve."

Rogue Botanical –
Cambodian

THC: 21.51% CBD: 0.04%

Rogue Botanical – Gold

THC: 25.86% CBD: 0.05%

From Rogue's vintage stash, the name of this Landrace Sativa strain is indicative of where it comes from, with the lineage tracing back to the mountains in Cambodia. The flavour profile is highlighted by a combination of fruity and earthy scents, with gassy undertones that linger during and after consumption.

2.42% Terpenes: Limonene, Caryophyllene, Myrcene, Linalool

From Rogue's vintage stash, this high THC sativa traces back its' roots to the equatorial region of Mexico. The growing plant is a picturesque lime green color, and the buds are covered with resin as well as golden pistils, a trademark characteristic of the strain. The user can expect a burst of fruity and peppery flavours that are enjoyed by the nose and palate alike.

2.15% Terpenes: Myrcene, Caryophyllene, Humulene, Limonene

Rogue Botanical – Runtz

THC: 21.69% CBD: 0.05%

This well-balanced Hybrid strain coming out of California was the Leafly "Strain of the Year" in 2020, and for good reason. The highly resinous buds are distinguished by their dark purple/charcoal colour and are covered with trichomes. Runtz is full of flavour and the scent can be compared to that of the sugary candy it is named after, with hints of citrus, lavender, and pepper all noticeable upon consumption.

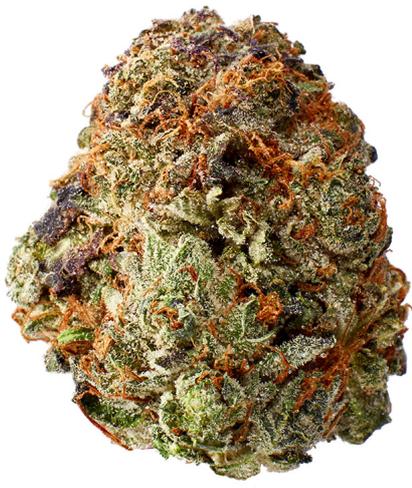

1.98% Terpenes: Limonene, Caryophyllene, Linalool, Humulene

Available at all locations.
