dominant legacy cultivar of Animal Cookies X Platinum Kush Mints. Flavor profile is earthy, sweet, and minty.

Titanimal is proudly grown on the East Coast in Truro, Nova Scotia in our state-of-the-art small batch production facility, where each bud is carefully cultivated, hang-dried, hand-trimmed, slow-cured (21-28 days), and hand-packaged in 100% recyclable aluminum cans that are purged with liquid nitrogen to preserve the dried flower quality, moisture content, and terpene profile for the ultimate craft cannabis experience.

0.35g x 10 - Available at 8th Street and Prince Albert.

Tahiti Treat is a needle in a haystack find from the 2021 pheno hunt at Western! She is a unique cross of Sunset Strudel and Lemon Face bred by 11Lemon Genetics. The parents in this cross are very exotic selections in their own right with Paris OG, French Toast, Sunset Sherbert, Face Off and Star OG all adding to the mashup. These hard hitters all combine to create another exclusive and exotic balanced Hybrid with intense flavour and unique nose due to the presence of Ocimene, Fenchol, and Camphene alongside the dominant terpenes Limonene, Caryophyllene and Humulene. The initial aroma, when breaking up the flower, is a fruity and creamy fuel and on the exhale a flavourful citrus perfume that lingers.
