Cultivator Highlight

Lamplighter

"Lamplighter provides the smoothest, most flavourful vapes to Canadian cannabis consumers. We double distill all our vape carts for highest purity and we scrutinized hundreds of flavours to discover 6 delectable tastes. Premium glass hardware ensures your cart lasts the test of time and gives the best inhalation experience.

You don't need to be a cannabis aficionado to enjoy the Lamplighter experience. Heck, you don't even have to know how to roll a joint. Whether you're a new user, experienced user, or like to partake occasionally, Lamplighter delivers a smooth, consistent, flavour forward experience."

Western Cannabis - Matanuska Thunder F#*k

THC: 27.1% CBD: <0.01%

Matanuska Thunder F#*K lineage is unknown x unknown. Legend has it that this variety was grown in the grasslands of Alaska's Matanuska Valley. This is a very old heirloom strain and its origins are shrouded in mystery, most likely coming out from a blend of the most popular strains of the time in that area. At Western, we pheno-hunted through a batch of seeds that were a back cross of Matanuska (MTF x MTF) to find the most representative expression of the original descriptions.

3.5g - Available at 22nd Street and Prince Albert.

Back In-Stock

Aaron's BC Bud - Island OG Doobies

THC: 23.2% CBD: 0.09%

A high THC Indica dominant hybrid strain with a smoky, earthy flavor created by its dominant B-Myrcene terpene profile. It offers your standard Indica experience with a delayed sativa effect that prevents the normal drowsiness of other Indica dominant strains.

Terpenes: B-Myrcene (Earthy)

B-Pinene (Pine)

D3-Carene (Sweet)
