

7th Annual Savannah Traffick Jam

Maylin Robles

Maylin Robles is a Trauma Therapist at the Coastal Children's Advocacy Center (CCAC). She works as a trauma-informed therapist, continues to participate in trainings surrounding trauma-based treatment modalities, and serves as a therapist at H.O.P.E Court.

Maylin Robles worked as a community mental health therapist, assisting those who struggled with a variety of mental health diagnoses. Robles served as a therapist in the prison system to help in the rehabilitation of inmates by offering Groups and one on one therapy. During her time there, she participated in several trauma focused trainings and has been certified in Trauma focused CBT (TFCBT) and Trauma-Sensitive Mindfulness (TSM). The trainings provided her with knowledge to practice trauma informed therapy.

Robles is from the state of Washington and graduated from the University of Washington with her Master's degree in Social Work with a concentration in Mental Health.
