About

The RACI Victorian Inorganic Chemistry Symposium 2026

A word from the organising committee

The RACI Victorian Inorganic Chemistry Symposium 2026 is a premier gathering of researchers, students, and industry professionals in the field of inorganic chemistry.

It offers a unique platform to showcase cutting-edge research, foster collaborations, and celebrate the achievements of Victoria's scientific community.

By sponsoring this event, your organisation will:

- Gain exposure to a targeted audience of chemists, researchers, and students.
- Be associated with a leading scientific event in the Victorian chemistry community.
- Support the development of emerging scientists and future leaders in inorganic chemistry.

We provide a variety of sponsorship opportunities, including banner placement, support for student prizes, recognition on social media, and acknowledgment across both digital and print channels. Sponsorship packages can be customised to align with your goals and budget.

We would be thrilled to explore ways for you to get involved and look forward to your support in helping make the symposium a success.

For further information or to discuss sponsorship options, please contact us directly at carol.hua@unimelb.edu.au.

Thank you for considering this opportunity to support the Victorian Inorganic Symposium and the broader chemistry community.

No stand may be sublet in any manner without consent of the Organisers. Exhibitors shall comply with the rules and regulations stipulated by the Organisers, the venue, relevant Health Department, Emergency Service authorities, and with all relevant State and Commonwealth Acts.

The Exhibitor is responsible for the safety and security of their products, display, stand, and staff. During the bump-out period, material should not be left unattended at any time.

All Exhibits and display material must be removed from the site by the time and date indicated by the Organisers, and/or venue.

It is the responsibility of the Exhibitor to leave the stand space clean and tidy during the Exhibition and after bumping out.

5. LIABILITY

All Exhibitors / Sponsors hereby accept liability for all acts or omissions committed by themselves, their staff and any directly associated contractors, agents and visitors, and undertake to indemnify the Organisers against all actions, suits, proceedings, claims, demands, costs and expenses whatsoever, which may be taken or made against the Organisers or incurred or become payable by them, including any legal costs and expenses and any compensation costs and disbursements paid by the Organisers on the advice of Counsel to compromise or settle any such claims, relating to the aforementioned acts or omissions. This liability extends to include samples and products distributed by the Exhibitor / Sponsor of any kind, whether such items be sold or given away free. Notwithstanding the indemnity hereby given, the Exhibitor / Sponsor undertakes to arrange appropriate third party liability insurance.

The Organisers shall not be responsible for any damages claimed by any person or persons who may be injured whilst in the area allotted to the Exhibitor / Sponsor. The Exhibitor / Sponsor agrees to indemnify the Organisers in the event of any claim made against the Organisers.

6. INSURANCE

The Organisers and venue owners will NOT be responsible for the safety of any Exhibit or property of any Exhibitor / Sponsor or any other person, for the loss or damage of, or destruction to same, by theft or fire or any other cause whatsoever, or for any loss or damage whatsoever sustained by the Exhibitor by reason of any defect in the building caused by fire, storm, tempest, lightning, national emergency, war, labour disputes, strikes or lock-outs, civil disturbances, explosion, inevitable accident, force majeure, or any other cause not within the control of the Organisers or for any loss or damage occasioned, if by reason of happenings of any such event the opening of the Exhibition is prevented or postponed or delayed or abandoned, or the building becomes wholly or partially unavailable for the holding of the Exhibition. The Organisers reserve the right to stop any activity on the part of any Exhibitor that may cause annoyance to other Exhibitors or visitors. Business must be conducted only from the Exhibitor's own stand and under no circumstances may this be carried out from a gangway or elsewhere in the Exhibition. Any encroachment upon gangways or passages shall be deemed to be a breach of contract and articles or goods found therein during the period of the Exhibition may be removed by the Organisers or their agents. The Organisers shall not be responsible for any loss thereto occasioned by such removal. Any publicity material shall be displayed and/or given away only from the Exhibitor's own stand unless otherwise discussed by the Organisers.

The Organisers may from time to time add to or vary the foregoing rules and regulations and do anything at their sole discretion they deem desirable for the proper conduct of the Exhibition, provided that such amendments or additions do not operate to diminish the rights reserved to the Exhibitor under this agreement and shall not operate to increase the liabilities of the Organisers.

Exhibits are admitted to the Exhibition, and shall remain there, solely on strict compliance with these Rules and Regulations. The Organisers reserve the right to prohibit in whole or in part and reject any Exhibitor or his/her representative in the case of failure to comply with the Rules and Regulations.
