

# Treasure Hunt Challenge Part III

You made landfall at Turtle Bay, dug at F3, and uncovered a chest. On the back of your map is the Captain's final log. To open the chest, solve the anagrams, fill the blanks, then take the first letter of each solved word in order to form the password. Click [HERE](#) or go to [www.bettermelmc.com](http://www.bettermelmc.com) to enter the password to open the chest.

## Captain Final Log

At dawn the \_ \_ \_ \_ \_ (1) is calm beyond the reef. We pitch our tents under the coconut \_ \_ \_ \_ \_ (2). At the river mouth the \_ \_ \_ \_ \_ (3) widens where fresh meets salt. Tracks in the sand lead to a turtle \_ \_ \_ \_ \_ (4). By noon the \_ \_ \_ \_ \_ (5) turns and the boats swing. We reach the outer \_ \_ \_ \_ \_ (6) and take soundings. The cliffs show years of \_ \_ \_ \_ \_ (7) carved by wind and spray. A quiet \_ \_ \_ \_ \_ (8) offers shelter from the swell. This safe \_ \_ \_ \_ \_ (9) will hold for the night. At first light we steer \_ \_ \_ \_ \_ (10) along the ridge. Voices carry along the moonlit \_ \_ \_ \_ \_ (11). The lockplate claims the \_ \_ \_ \_ \_ (12) lies within.
