

CONTINUE THE ADVENTURE - TREASURE HUNT EDITION

Land ho! You have dropped anchor at Turtle Bay on Grid 13C, but the treasure is not yours yet. The island hides more secrets, and only those who follow the orders will uncover where the chest is buried. Each clue tells you how many spaces to move north, south, east, or west. Follow carefully because one wrong turn and you could be lost in the jungle. When you finish, [click here](#) or go to the hydration hub at www.bettermelmc.com to submit where you believe the treasure is buried. Everyone who submits will be entered into the raffle for one of three \$20 Amazon gift cards and lunch at Chick-fil-A.

Part 3 comes next Friday for the grand finale.

Your Island Clues

1. Go EAST by half the number of cups you drink each day in The Great Hydration Race.
2. Go NORTH by the number of volleyball companions the stranded castaway keeps in that island survival film.
3. Go WEST by the number of sides in that infamous stretch of sea between Miami, Bermuda, and Puerto Rico.
4. Go NORTH by the number of Swiss Family Robinson parents who survive the shipwreck.
5. Go EAST by the number of movies in the original Pirates of the Caribbean trilogy.
6. Go NORTH by the number of primary swimming strokes used in competition.
7. Go EAST by the number of crew running the S.S. Minnow.
8. Go NORTH by the number of islands in the Caribbean's ABC group.
9. Go WEST by the number of prongs on a trident
