

2023-2024 Youth Hockey Programs and Pricing

Welcome back to another exciting hockey season! With the season rapidly approaching, please take a look at the following information to determine the best program for your child.

Pre-Season Hockey: Skills and Conditioning

The 2-week 6-session clinic is an on-ice progressive class that is age specific. The class will begin with basic fundamentals of skating technique, move on to agility and creativity, and end with small area games and scrimmages. We will focus on all areas of the game, presenting opportunities for the player to get their feet beneath them before the season. Players must have 1 year experience to participate.
