4	Mid-Ice Crisis	18	8	7	3	19	11
5	Pharmacy	17	3	12	2	8	-16

League standings are simply for the curious and some errors may be in the mix. Team records are substantially affected by various issues including games played, attendance, score sheets filed, rosters over the holidays, full moons, cancelled games, luck and forfeits. Double Elimination Playoff Brackets are determined by a combination of factors including a blind draw.

Play Nice. Have Fun. Thank You for your Support, Participation and Sportsmanship.
