Who we are...

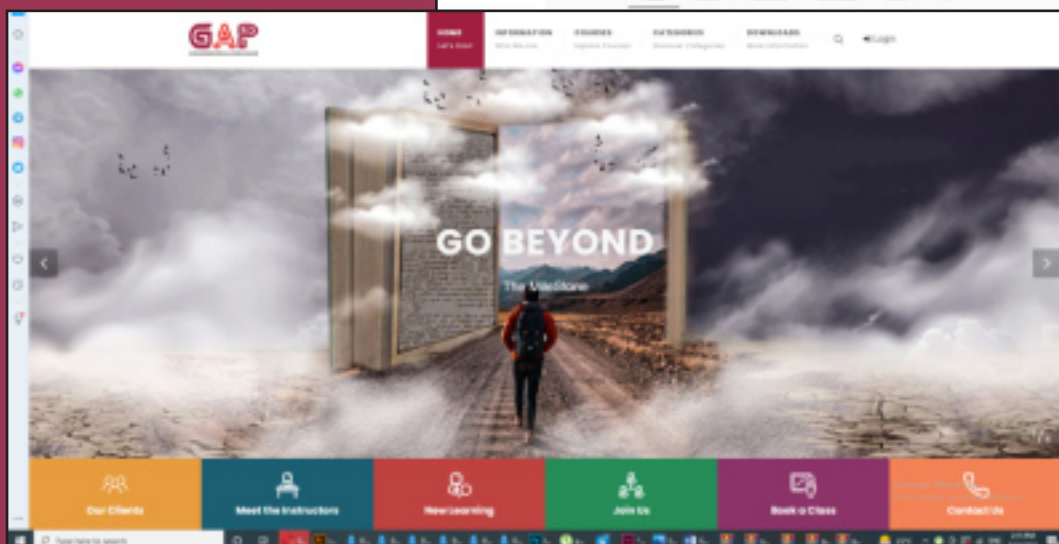

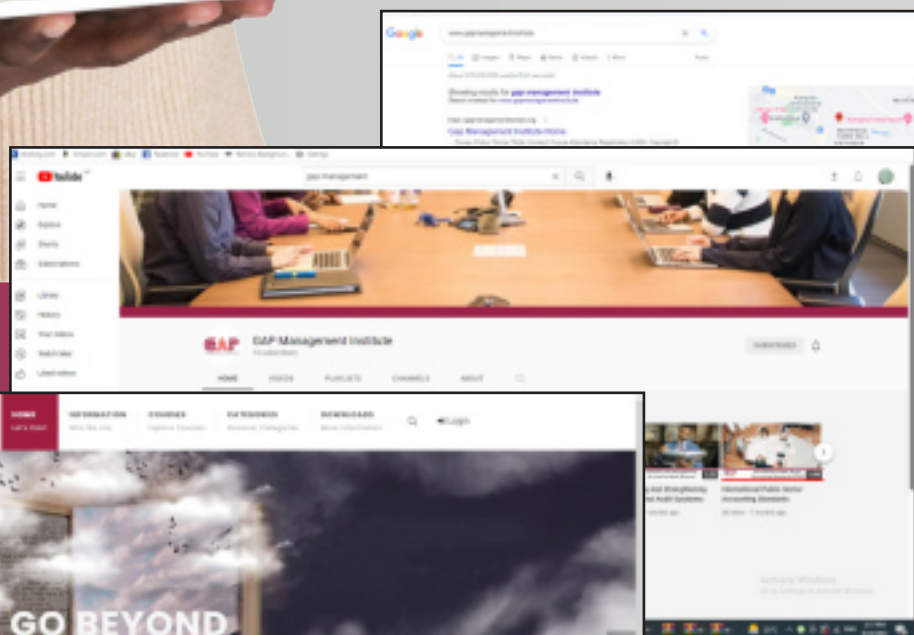

We are a **capacity building and skilling institute** that focuses on the usage of modern learning, teaching and skilling methods. Gap Management Institute is based in Uganda, Kampala and operational in **Africa, Asia, Europe , North America** and the **Middle East**.

What We Do..

We offer educational courses both **long and Short** term that cover a diverse range of subjects *delivered* through various categories. Our short courses focus on improving **skills capacity** in different organizations, preparing the modern employee for the **modern** work place. Some of our programs and courses are tailor-made to Organizational needs. This is done to improve **workforce efficiency** and **productivity**.

models of learning

These programs and courses are delivered using

both:

1. **Experiential Learning methods.**

www.gapmanagementinstitute.org
info.gapmanagementinstitute.org

2. **Activity Based Learning methods.**

These methods enable our programs and course participants learn and skill up faster than the conventional theoretical ways of learning.

Our programs and courses are spread over *12 categories* that cut across from **Leadership, Public Management** to **Private business** operations and entrepreneurship.
