Percent of People Vaccinated in Utah:

Percent All Utahns Received at Least One Dose: 72.7%

Percent All Utahns Fully Vaccinated: 64.0%

Data Notes:

Race/ethnicity data: Race and ethnicity groups follow US Census estimates for race alone or in combination in order to provide a broad snapshot of Utah's growing diversity, including the many multi-racial and multi-ethnic individuals who call Utah home. Groups are not mutually exclusive and will not sum to total.
