PREFACE

When you asked Christ into your heart and life, you were born in God's family. He had already shown His love to you by sending Jesus to die in your stead. He continues to show you His love by answering your prayers and meeting your needs.

You in turn have responded by accepting what He offered you and by thanking Him for His many blessings. But your heart is reaching out to do more. You want to express your love further. As you grow in your Christian life, your desire to worship the Lord grows—and that desire must be fulfilled.

That longing is not one-sided, for God also longs to have fellowship and communion with us. He is waiting for His children to respond to Him. He desires our worship, and we in turn will realize a fulfillment in worship and praise that we find in no other way.

Our praise opens avenues of benefit and blessing that the Lord wants us to experience and to share with others. This study course will help you not only in your private devotions, but also as you share with a group.

A modern method of teaching yourself helps you to learn the principles easily and put them into practice immediately.

THE CHRISTIAN LIFE SERIES

Christian Worship is one of 18 courses in this practical discipleship program for new believers. The Christian Life Series is a study to help students grow in their relationship with Christ, interact with the Word of God, and better understand God's purposes for their life.

Students will study basic Christian topics under six reoccurring themes. The courses are conversational in style and easy to read. The following chart illustrates how the units of study are organized for the Christian Life Series.

Before You Begin

How to Use this Book

This book is divided into lessons instead of chapters. Each lesson begins with two important pages. After the lesson number are the title and a short introduction to the lesson. On the next page is **Lesson Outline**. This is the outline or plan for the lesson. It is a list of what you can expect to study in the lesson.

Next are **Lesson Objectives**. The lesson objectives are guidelines for what you should be able to do after studying the lesson. Read them carefully; they will help you focus on the most important points in the lesson.

To help you achieve your objectives, each lesson has questions and activities. The subheading **Application** signals you to answer questions on the material learned. Do not skip over this part. Writing out the answers will help you apply what you have learned. Most of the questions can be answered right in your book. If there is not enough room to write your answers in the book, write them in a notebook or journal that you can use to review the lessons later.

After answering a question, check the answer at the end of the lesson in the section marked **Answers to Study Questions**. Do not look ahead at the answers until you have written your own answer. This will help you remember what you study much better. Compare your answers to those given at the end of the lesson; then correct those you did not answer correctly. The answers are in a jumbled order so that you will not easily see the answer to the next question. At the end of each lesson, complete the **Self-Test**. Answers to the self-test are at the end of the study guide.

How to Answer Study Questions

This course uses many different kinds of questions. Below are samples of the three most common types and how to answer them.

MULTIPLE-CHOICE

A multiple-choice question asks you to choose an answer from the ones that are given.

Example

- 1** The Bible has a total of
- a)** 100 books.
 - b)** 66 books.
 - c)** 27 books.

The correct answer is b) 66 books.

In your study guide, make a circle around b) as shown here:

- 1** The Bible has a total of
- a)** 100 books.
 - b)** 66 books.
 - c)** 27 books.
 - d)** 2 books.

TRUE-FALSE

A true-false question or item asks you to choose which of several statements are TRUE.

Example

- 2** Which statements below are TRUE?
- a)** The Bible has a total of 120 books.
 - b)** The Bible is a message for believers today.
 - c)** All of the Bible authors wrote in the Hebrew language.
 - d)** The Holy Spirit inspired the writers of the Bible.

Statements **b)** and **d)** are true. You would make a circle around these two letters to show your choices, as you see above.

MATCHING

A Matching question or item asks you to match things that go together, such as names with descriptions, or Bible books with their authors.

Example

3 Write the number for the leader's name in front of each phrase that describes something he did.

- | | |
|--------------------------------------------------------|-----------|
| ...1... a) Received the Law at Mt. Sinai | 1. Moses |
| ...2... b) Led the Israelites across the Jordan | 2. Joshua |
| ...2... c) Marched around Jericho | |
| ...1... d) Lived in Pharaoh's court | |

Phrases **a)** and **d)** refer to Moses, and phrases **b)** and **c)** refer to Joshua. You would write 1 beside **a)** and **d)**, and 2 beside **b)** and **c)**, as you see above.

Suggestions for Studying

1. Set aside quiet and regular times for your study. It will be easier to concentrate if study is part of your daily habits.
2. Pray as you begin each study session. With an open Bible, the Holy Spirit, and this course, you are in the classroom of the Holy Spirit. Ask the Lord to help you understand the lesson and apply it to your life.
3. Carefully read the lesson introduction, the lesson plan, and the goals.
4. Begin to carefully read the lesson. Look up Bible references and take any notes that may be helpful. The Bible verses reinforce important points in the lesson.

5. Answer the study questions in the spaces provided. Use your notebook or journal when necessary.
6. Think about what you have learned and look for ways to apply it in discussion with family and friends, in a Bible study, etc.
7. Take your time. No bell will ring to force you to move on to new material.

Unit Evaluations

At the end of this course, you will find the Unit Evaluations. Questions and Answer Sheets are clearly marked for each unit. Carefully follow the directions given. You should complete and send your answer sheets to your instructor for corrections. If you are not studying with a Global University office you will still benefit by completing the Unit Evaluations.
