

Keep your budget **flexible**

Acorn Finance makes it easy to search personal loan offers from top lenders to break your project into affordable monthly payments.

Safe. Simple. Secure.

Acorn Finance partners a network of lenders to bring you flexible financing options for your home improvement needs—all online and hassle-free.

- No impact to your credit score** when checking for pre-qualified offers
- Loan amounts from \$1,000 to \$100,000** with competitive APRs
- Terms from 2–20 years** to help spread out your payments

How to apply

- 1 Click on the link in your estimate and fill out a simple form to check if you are pre-qualified.
- 2 Choose an offer and apply for final approval with the lender.*
- 3 Once approved, you could get funded in as soon as 24 hours*. Use your funds to pay your contractor and get your project started.

Why homeowners love **Acorn Finance**

“

Everything was very smooth and straightforward. Applied on Sunday night. Had the money on Monday afternoon.

Peter M.

“

Probably one of the best loan experience I have ever had. They made the whole process easy and stress-free.

Shawn M.

*All loans and other financial products are subject to credit review and approval by our partners. If approved, funding times may vary. Prequalifications use a soft credit pull that does not impact your credit score. However, our funding partners will conduct a hard credit pull when you express interest in an offer, and this could impact your credit score. Funding times may vary.
